

Manager to repeat this request and bring their report to the Council at it's next meeting. Motion seconded by Councilman Plummer and unanimously carried.

On behalf of the Chief of Police, Nelson Taylor, Acting City Attorney, stated that the last Council gave the Chief the authority to pass on beer and wine applications. The General Statutes state that the applications should come before the City Council for approval and Chief Worrell would like to know if it is desire of the Council that he continue to approve or disapprove these applications. After some discussion, Councilman Plummer moved that the Chief of Police be delegated the authority to approve or disapprove the applications of anyone for beer or wine permits. Motion seconded by Councilman Rhodes, and unanimously carried.

There being no further business, on motion of Councilman Plummer, seconded by Councilman Rose, the meeting was adjourned.
