This special meeting of the Council was called to act upon several bids which had been received and to hear a report from the Auditor.

City Manager Ray reported that the following bids were received on September 27, 1962 for the demolition of the Central School Building:

Sid Rancer Iron and Steel Co., Durham, North Carolina	\$10,800.00
Southern Builders Equipment Co., Fayetteville, North Carolina	11,700.00

Following a brief discussion, Councilman Rhodes moved to accept the bid of W. T. HUNTLEY, JR., OF SOUTHERN PINES, NORTH CAROLINA, for \$4,790.00 with the stipulation that he meet all of the requirements outlined by the City Manager and City Attorney. Motion was seconded by Councilman Maness and unanimously approved.

City Manager Ray reported that the following bids were received on September 27, 1962 for furnishing radio equipment for the Fire and Engineering Departments of the City:

Motorola Communications & Electronics, Inc.	Alternate - \$13,718.00
Radio Corporation of America	Alternate - \$15,847.00
General Electric Company	Alternate - \$15,000.00

Following a brief discussion, Councilman Plummer moved that the bid of MOTOROLA COMMUNICATIONS AND ELECTRONICS, INC. in the amount of \$13,718.00 be accepted. Motion was seconded by Councilman Maness and unanimously carried.

The Council then heard a report from Mr. Phil Haigh of the firm of Haigh and vonRosenberg, CPA's, auditors for the City, on his firm's examination of the accounts of the City for the fiscal year ended June 30, 1962.

Mr. Haigh stated first, that all financial reports furnished to the Council during the year were correct. He said that collections on tax levies were good and that the progress made in the City's accounting procedure during the past year was excellent.

Mr. Haigh suggested to the Council that the collection of delinquent taxes be kept under strictest control and that every effort be made to keep this phase of operations as current as possible.

Mr. Haigh suggested further that the Council should be considering the installation of a system of accounting for fixed assets, although this was not a matter of grave concern or urgency at the present time.

After hearing the above report, Mayor Butler thanked Mr. Haigh and stated that the audit was very complete and comprehensive.

There being no further business, the meeting was adjourned at 5:00 P. M.
