

On other matters; Mayor Butler informed the Council that he had met with Fire Chief Cain on Civil Defense subjects and had learned that a 40 hour course of instruction in radiation detection is to be taught in Brooklyn, N. Y. on February 4 through February 9 and March 18 through March 23, 1962. Only one person in the city, at present, is qualified in this subject - a person at E. E. Smith High School. Mayor Butler recommended that Mr. C. A. Purcell of Public Works Commission, be permitted to attend. Completion of the course by Mr. Purcell would qualify the city to obtain geiger counters. The cost to attend would be approximately \$150.00 of which the Federal Government would pay one half. He stated also that Mr. P. O. Hoffer, Chairman of Public Works Commission is willing that Mr. Purcell attend.

Mayor Butler then advised the Council of a meeting in City Hall at 3:30 P.M., Thursday, January 25, with Cols. Larson and Wood of office of Civil Defense, Mr. Henry Tyson of County Commission, Fire Chief Cain, Police Chief Worrell and City Manager Ray. Purpose of the meeting is to decide on a meeting place for City-County Government in case of emergency. He invited all members of the Council to attend.

City Manager Ray informed the Council of a meeting to be held on the Major Thoroughfare Plan at the State Highway Commission Building in Raleigh at 2:00 P. M. on Monday, January 22 and that Mr. Tom McLean has requested all interested persons to attend.

Councilman Rhodes brought to the attention of the Council a lot on Owen Drive which Mr. John Sandrock deeded to the City for use as a future fire station site. He stated that a station at this site would not only serve the immediate area, but also more effectively serve the Massey Hill area.

The subject was discussed at length and City Manager Ray stated that funds were available from a previous bond sale to construct a station.

Councilman Plummer moved that an architect be hired to plan and design Fire Station #5 to be constructed on the lot situated on Owen Drive deeded to the city by Mr. Sandrock. Motion was seconded by Councilman Rhodes and carried.

There being no further business before the Council and upon motion by Councilman Plummer, the meeting was adjourned at 5:00 P. M.

Mayor Butler called the meeting to order.

A public hearing having been advertised and there being no opposition present and upon motion by Councilman Rhodes, seconded by Councilman Plummer, the Council voted to annex to the city a tract of land in Section X of Bordeaux Subdivision by adoption of the following ordinance:

AN ORDINANCE EXTENDING THE CITY LIMITS

WHEREAS, notice was duly published in the Fayetteville Observer, a newspaper published in the City of Fayetteville, that at the meeting of the City Council, to be held in the City Hall at 8:00 p.m. on January 22nd, 1962, there would be considered the annexation to the City of all of the area hereinafter described, as directed by said Council at its regular meeting on the 22nd day of January, 1962, and as petitioned for by all the owners of the property in such area;

AND WHEREAS no petition was filed or protest made against the annexation thereof to the municipality;

AND WHEREAS, it is considered in the best interest of the City of Fayetteville and its inhabitants to annex said area to and include it within the municipality;

THEREFORE, THE CITY COUNCIL OF THE CITY OF FAYETTEVILLE DO ORDAIN:

That in accordance with North Carolina General Statute 160-452 and related statutes, said area, contiguous to the present boundaries of the city, described below, be annexed to and made a part of the City of Fayetteville, to wit:

BEGINNING at an iron pipe, the Northeast corner of Lot #10, of Part III, Section IV of Welmar Heights, as shown on record in Book of Plats 24, Page 20 in the Cumberland County Court House (said iron pipe being also a corner in an area previously annexed on November 14, 1960) and runs thence with the line of said description South 2 degrees 09 minutes West 351.31 feet to a point; thence with the aforementioned description South 86 degrees 17 minutes East 200.07 feet to a point; thence with another line of the aforementioned description South 12 degrees 47 minutes East 149.11 feet to a point; thence a new line South 77 degrees 13 minutes West 318.69 feet to a point; thence North 11 degrees 24 minutes West 402.74 feet to an iron pipe, the Northeast corner of Lot #12 in the aforementioned Plat of Welmar Heights; thence North 71 degrees 06 minutes East 161.38 feet to an iron pipe, a corner of Lot # 11 in the aforementioned Plat of Welmar Heights; thence 7 degrees 49 minutes East 134.11 feet to the beginning.

And that the Mayor cause an accurate map of such annexed territory, together with a copy of this ordinance duly certified, to be recorded in the office of the Register of Deeds of Cumberland County and in the office of the Secretary of State.

This ordinance shall be in effect from and after its adoption.

Adopted this 22nd day of January, 1962.
