INVOCATION - PLEDGE OF ALLEGIANCE

The invocation was offered by Dr. Richard Byrd, Emanuel Baptist Church, 219 Hull Road, followed by the Mayor leading in the Pledge of Allegiance to the American Flag.

At this time Mayor Dawkins asked City Manager John Smith for an update on the City bus accident of this morning. Mr. Smith reported that the City bus driver had appeared to black-out and lose control of the bus on Robeson Street causing damage to the Santa Fe Restaurant and a parked vehicle, jumped a railroad track and came to rest against a church. The passengers and driver were taken to Cape Fear Valley Hospital and the accident is still under investigation.

1. Approval of Agenda

City Manager John Smith requested to have Item 4 deferred to the September 21 meeting to allow staff to work with the citizens on Englewood Drive.

Councilmember Bolton moved to approve the agenda with Item 4 being deferred as requested, seconded by Councilmember Kendrick and carried unanimously.

2. Consent:

Mayor Dawkins presented the Consent Agenda and asked if any items should be removed before calling for action.

Councilmember Cheek requested to pull item H for discussion. Councilmember McBryde moved to approve the Consent Agenda with exception of Item H. After a second from Councilmember Bolton the Consent Agenda and following items were unanimously approved.

RESOLUTION AUTHORIZING THE SALE OF CITY OF FAYETTEVILLE PROPERTY. RESOLUTION NO. R1992-123.

A copy of the foregoing resolution is on file in the Clerk's office in Resolutions Book R1992.

- 2H. Adopt Special Revenue Project Ordinance 93-1 and Budget Ordinance Amendment 93-4.

The grant requires the City to provide a local match in the amount of \$24,231, resulting in a total project appropriation of \$69,231. The goal of the program is to improve the overall treatment of victims of crime through enhanced and increased crisis intervention and support services.

Councilmember Cheek requested a briefing on this item at another date. Councilmember Cheek moved to adopt the Special Revenue Project Ordinance and Budget Ordinance Amendments as requested, seconded by Councilmember McBryde and carried unanimously.

3. Public Hearings:

Mayor Dawkins read the public hearing policy for the time limit for public hearing and non-public hearings.

- A. Consideration of adoption of ordinance to extend the corporate limits of the City of Fayetteville, N.C., for the following: (petition-initiated contiguous annexation area) (Public Hearing continued from August 17, 1992)

This item was presented by Deputy City Manager Roger Stancil with a recommendation that the annexation ordinance be adopted with an effective date of September 30, 1992. This is the advertised public hearing for this date and hour.

The public hearing was opened at 7:15 p.m. and speaking for the petitioner was Attorney Stacy Weaver. He stated that the rights of the private land owner should be considered. They are concerned with the peripheral issues which have been developed by the Joint Compatible Land Use policy, which has been adopted in concept by Council. This policy has been funded by the Department of Defense. There are certain restrictions placed on properties which adjoin Simmons Airfield so there would be no development beyond one dwelling per acre in one case, and another case would be for one dwelling per five acres. He stated he felt these tight restrictions would border on what would be excessive regulations restricting economical valuable use of the property by the owner. This amounts to a "taking" and is contestable if a City or other authority tries to do that. Mr. Weaver stated that the property owners want to be annexed and maintain the present zone. He requested that if Council might consider adopting the Land Use policy, they would like to be heard on this matter.

Appearing in opposition was Glenn W. Prillaman, Chief, Master Planning Branch, Ft. Bragg. He stated that after reading the annexation reports and careful consideration, Ft. Bragg is opposed to annexation because of the reason the property is being annexed. The developers clearly proposed to develop this property for single family residential subdivisions. These properties fall within Noise and Accident-potential Zone 2 for Simmons Army Airfield. Noise Zone 3 has the possibility of health injury due to prolonged exposure to relatively high levels of helicopter noise. Ft. Bragg feels McLean and Thompson Properties represent the worst case situations from Ft. Bragg's point of view in this study. He cited some of the many disadvantages to Cumberland County should Ft. Bragg and Simmons Air Force Base leave the area. The studies and guidelines indicate that this area is not suitable for housing. He continued by stating that they are concerned with not only the quality of life and health of the families who will live there but also the substantial noise complaints in the future and possibly the loss of life in the accident-potential zones. Mr. Prillaman stressed the possibility of the military missions going away and concluded by asking Council to carefully consider this matter.

Mayor Dawkins then asked Al Mitchell what could be done with this property while it is in the County. Mr. Mitchell responded that under the PND zoning, if the property owner submitted a site plan meeting all the criteria, they could have commercial area up to 10%, plus they could average six units per acre on the remaining portion after they deducted 25% for open space. This can be done whether they are annexed or not.

At this time Mr. Weaver was recognized on rebuttal and asked for a sense of fair play and that is if they are damaged, that they be compensated for that.

There be none further to be heard on this matter the public hearing was closed at 7:38 p.m.

AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE  
CITY OF FAYETTEVILLE, NC (MCLEAN AND THOMPSON  
PROPERTY - MCARTHUR ROAD). ANNEXATION ORDINANCE NO.  
92-9-356.

Councilmember McBryde moved to adopt the foregoing annexation ordinance, seconded by Councilmember Cheek. There was some discussion from Councilmembers including Councilmember Massey's concern with the accident possibility which would keep him from voting in favor of this annexation. Following the discussion, Mr. Smith explained that the issue is not whether the property can be developed, but whether it will be developed inside the City with the City street standards or if it will be developed while still in the County. The concerns mentioned in the Annexation Report was to make Council aware that for the first time there would property, if annexed, in the City that falls within the areas discussed in the plan. Mayor Dawkins called for the vote and the motion carried 6 to 3 with Councilmembers Ross, Torrey and Massey voting in opposition.

A copy of the foregoing ordinance is on file in the Clerk's office in Annexation Ordinance Book 1992.

- B. Consideration of resolution confirming assessment roll and levying assessments for installation of sanitary sewer collection system into the following streets: (PWC)  
(Public Hearing continued from August 17, 1992)

This item was presented by Tom McNeill and Henry Powers of PWC. Mayor Dawkins ruled that all streets would be heard before action is taken.

1. Hearthstone Drive

The public hearing was opened at 7:54 p.m. There were none to appear in favor. Appearing in opposition was Hubert A. Noble, 111 Hearthstone Drive, stating that he owned property on three of the streets up for public hearings tonight and would combine his concerns at this time. Mr. Noble requested that Council lower the assessment from \$12 to \$6 per front foot. The reason he stated is because the projected cost at the time they were annexed, against their wishes, was \$23 per foot, making it \$8 per house on each side of the street and \$8 for PWC's share. Because PWC misprojected their cost, they came up with a \$12 per foot figure, he continued. Mr. Noble stated that the City was also 45 days late giving notice for the contractor to proceed, the Clifffdale water line was not available until January 1991, the water and sewer line plan was changed after the work was in progress and this should have resulted in a penalty to the contractor. He continued by saying that PWC only applied \$2,500 against the cost of the sewer construction. He felt that PWC has not been undercharging for services or they would not access money built up. Mr. Noble stressed the fact that the neighborhood has endured the misery of dust, mud, noise and hassle for months while these projects were in progress. Therefore, reduction or even forgiveness of the assessment would be small restitution. Mr. Noble concluded by stating that Council should not "rubber stamp" these \$12 assessments and should do what is fair for the people in those subdivisions.

Mayor Dawkins responded that there was \$9 million refunded to the people who use Public Works before any money was transferred.

There being none further to be heard on this matter, the public hearing was closed at 8:03 p.m. and Mayor Dawkins stated that all the Public Works Commission assessment public hearings would be heard before action was taken tonight.

2. Onie Court

The public hearing was opened at 8:15 p.m. and there being none to be heard in favor or opposition the public hearing was closed.

3. Morganton Road

The public hearing was opened at 8:15 p.m. There was none to be heard in favor and Mr. Tony Noble declined to speak since he had made his presentation at Item 3B.

4. Mawood Avenue

The public hearing was opened at 8:16 p.m. and there being none to be heard in favor or opposition the public hearing was closed.

5. Old Gate Road

The public hearing was opened at 8:17 p.m., there was none to be heard in favor and Mr. Tony Noble declined to speak on this matter since he had made his presentation at Item 3B.

6. Docia Circle

The public hearing was opened at 8:18 p.m. and there was none to be heard in favor. Appearing in opposition was Ms. Lisabeth Leddin, 6423 Docia Circle. She stated that the sewer line installed behind her property lowered the grade of the property creating a swamp and resulted in several large trees dying. The workmen brought in sand by wheelbarrow and the condition of her property was in such a state she was unable to leave her property without having bulldozers called in month after month. She stated she feels her property was severely damaged by this project and she should not have to pay \$12 per foot for this project.

Councilmember Massey asked Ms. Leddin if she had contacted PWC concerning her problem and she responded that she had not done this but waited for tonight's hearing to bring the matter up. Mr. McNeill stated to Ms. Leddin that if she had contacted them at PWC they would have attempted to alleviate her problem the best they could. Mayor Dawkins instructed PWC and Engineering staff members to contact these residents to assist in what ever way they can.

Phillip Knight, 5427 Docia Circle, appeared in opposition asking how long the \$12 per foot had been in effect. Henry Powers responded the new rate began July 1, 1992. Mr. Knight stated he felt that since they were annexed in 1988, this new rate of \$12 per foot was set four years later. John Smith responded that the old rate would have been for 1/3 of the cost making it much more than \$12 per foot.

There being none further to be heard on this matter the public hearing was closed at 8:29 p.m.

7. Merritt Drive

The public hearing was opened at 8:29 p.m. and there was none to be heard in favor. Appearing in opposition was Joseph Bucca, 5227 Merritt Drive. He echoed what Tony Noble had previously stated and asked about the 30 day discount. The City Attorney explained the time limit for the 30-day discount. There being none further to be heard on this matter the public hearing was closed at 8:31 p.m.

8. Pamalee Drive

The public hearing was opened at 8:31 p.m. and there being none to be heard in favor or opposition to this matter the public hearing was closed.

Mayor Dawkins then asked for Council action. Councilmember Cheek stated that since these people have endured hardships and problems for months and months during this project, damages are due these people. She stated she felt that a fair way of doing it would be to move to adopt the assessment roll reducing the cost to the owners in this area to \$9 per foot for Item 3B 1-8, seconded by Councilmember Robertson. Following some discussion it was determined that the Pamalee Drive area was not included in this hardship, therefore, Dr. Cheek amended her motion to exclude Item 3B8. Councilmember Kendrick asked if this motion passes, how will it effect the past assessments where there were problems also. Mr. Cogswell responded that once the rates have been adopted Council can not go back and change them. Councilmember Massey stated he feels that these people have the same opportunity to have PWC correct the situation with their properties as the property owners in the past. Councilmembers Blackwell, Kendrick and Torrey stated they would not be able to support the motion because the reduction was not afforded the property owners in the past who have also had problems. Councilmember Cheek stated she wanted to clarify that the purpose of her motion was because of the inordinate delays and the penalty clauses in this neighborhood and not because this neighborhood should not pay as other neighborhoods, all things being equal, but things were not equal and it was very devastating in that neighborhood.

Mayor Dawkins called for the vote on the motion by Dr. Cheek, seconded by Mr. Robertson, which was to adopt the assessment resolution with \$9 per foot for the seven streets. The motion carried 5 to 4 with Councilmembers Blackwell, Kendrick, Torrey and Massey voting in opposition at 8:46 p.m. The resolution titles are as follows:

RESOLUTION CONFIRMING ASSESSMENT ROLL AND LEVYING ASSESSMENTS FOR INSTALLATION OF SANITARY SEWER COLLECTION SYSTEM (HEARTHSTONE DRIVE). RESOLUTION NO. R1992-124.

RESOLUTION CONFIRMING ASSESSMENT ROLL AND LEVYING ASSESSMENTS FOR INSTALLATION OF SANITARY SEWER COLLECTION SYSTEM (ONIE COURT). RESOLUTION NO. R1992-125.

3B-8. Pamalee Drive

RESOLUTION CONFIRMING ASSESSMENT ROLL AND LEVYING ASSESSMENTS FOR INSTALLATION OF SANITARY SEWER COLLECTION SYSTEM. RESOLUTION NO. R1992-131.

Councilmember Bolton moved to adopt the foregoing resolution at \$12 per foot assessment, seconded by Councilmember Robertson and carried unanimously at 8:47 p.m.

A copy of the foregoing resolution is on file in the Clerk's office in Resolutions Book R1992.

- C. Consideration of adoption resolutions confirming assessment rolls and levying assessments for installation of sanitary sewer collection system in the following streets: (PWC)

This item was presented by PWC staff Tom McNeill and Henry Powers. This is the advertised public hearing for this date and hour. Mayor Dawkins ruled that all seven public hearings would be heard before action is taken.

1. Murchison Road

The public hearing was opened at 8:56 p.m. and there being none to be heard in favor or opposition the public hearing was closed.

RESOLUTION CONFIRMING ASSESSMENT ROLL AND LEVYING ASSESSMENTS FOR INSTALLATION OF SANITARY SEWER COLLECTION SYSTEM. RESOLUTION NO. R1992-132.

2. Lakecrest Drive

The public hearing was opened at 8:57 p.m. and there was none to speak in favor. Appearing in opposition was Irene Kinard, 1628 Barber Avenue, property owner of 3141 Lakecrest Drive. She stated she felt that the \$12 assessment was too high and if the City could afford to give a 30% discount to anyone paying within 30 days she felt like they could afford to reduce the assessment rate. There being none further to be heard on this matter the public hearing was closed at 8:58 p.m.

Councilmember Kendrick asked Ms. Kinard if they had had any problems with the project. She responded that she was unaware of any problems because this was a rental house.

RESOLUTION CONFIRMING ASSESSMENT ROLL AND LEVYING ASSESSMENTS FOR INSTALLATION OF SANITARY SEWER COLLECTION SYSTEM. RESOLUTION NO. R1992-133.

3. Oakcrest Drive

The public hearing was opened at 8:59 p.m. and there being none to be heard in favor or opposition the public hearing was closed.

RESOLUTION CONFIRMING ASSESSMENT ROLL AND LEVYING ASSESSMENTS FOR INSTALLATION OF SANITARY SEWER COLLECTION SYSTEM. RESOLUTION NO. R1992-134.

4. Comfy Court

The public hearing was opened at 8:59 p.m. and there being none to be heard in favor or opposition the public hearing was closed.

RESOLUTION CONFIRMING ASSESSMENT ROLL AND LEVYING ASSESSMENTS FOR INSTALLATION OF SANITARY SEWER COLLECTION SYSTEM. RESOLUTION NO. R1992-135.

5. Haven Court

The public hearing was opened at 8:59 p.m. and there being none to be heard in favor or opposition the public hearing was closed.

RESOLUTION CONFIRMING ASSESSMENT ROLL AND LEVYING ASSESSMENTS FOR INSTALLATION OF SANITARY SEWER COLLECTION SYSTEM. RESOLUTION NO. R1992-136.

6. Renfrow Drive

The public hearing was opened at 8:59 p.m. and there being none to be heard in favor or opposition the public hearing was closed.

RESOLUTION CONFIRMING ASSESSMENT ROLL AND LEVYING ASSESSMENTS FOR INSTALLATION OF SANITARY SEWER COLLECTION SYSTEM. RESOLUTION NO. R1992-137.

7. Country Club Drive

The public hearing was opened at 8:59 p.m. and there being none to be heard in favor or opposition the public hearing was closed.

RESOLUTION CONFIRMING ASSESSMENT ROLL AND LEVYING ASSESSMENTS FOR INSTALLATION OF SANITARY SEWER COLLECTION SYSTEM. RESOLUTION NO. R1992-138.

Councilmember Robertson moved to adopt the foregoing seven resolutions setting the assessment at \$12 per front foot, seconded by Councilmember Ross and carried unanimously at 9:00 p.m.

Copies of the foregoing resolutions are on file in the Clerk's office in Resolutions Book R1992.

- D. Consideration of adopting resolution confirming assessment roll and levying assessments for installation of water distribution main and sanitary sewer collection system in First Street (formerly SR-2414). (PWC)

This item was presented by PWC staff with the recommendation to adopt the resolution. This is the advertised public hearing for this date and hour.

The public hearing was opened at 9:01 p.m. and there being none to be heard in favor or opposition the public hearing was closed.

RESOLUTION CONFIRMING ASSESSMENT ROLL AND LEVYING ASSESSMENT FOR INSTALLATION OF WATER DISTRIBUTION MAIN AND SANITARY SEWER COLLECTION SYSTEM. RESOLUTION NO. R1992-139.

Councilmember Bolton moved to adopt the foregoing resolution setting the assessment at \$12 per front foot, seconded by Councilmember Robertson and carried unanimously at 9:01 p.m.

A copy of the foregoing resolution is on file in the Clerk's office in Resolutions Book R1992.

- E. Consideration of the rezoning from R6 Residential District to P2 Professional District or to a more restrictive zoning classification for an area located on the east side of Rosehill Road (SR 1615) and the west side of Rosehill Road Extension, between Dowfield and Rutledge Drives (P92-73).

This item was presented by Al Mitchell with a recommendation from the Planning Board for denial because it is not in accordance with the plan for the area. This is the advertised public hearing for this date and hour.

Councilmember McBryde asked if this was considered spot zoning and Mr. Mitchell responded that he believed it is spot zoning. The City Attorney responded that this would be illegal spot zoning.

The public hearing was opened at 9:04 p.m. and speaking in favor was Dan McGinley, petitioner, 3694 Rosehill Road. He has been operating a small real estate business out of his home because of an illness. Mr. McGinley stated that he was told by the Planning Department when he applied for the rezoning that they saw no problem with the P2 zoning for that location. Mr. McGinley requested that Council reconsider their term "spot zoning". He feels this is buffer zoning between residential and commercial.

The City Attorney defined the meaning of spot zoning and explained why this constitutes spot zoning in his opinion.

Appearing in opposition was Reda Weller, 914 Drew Court, Linda Zachary, 908 Wickham Drive, and Larry Holcolm, 612 Dowfield Drive, all stated they feel this area is residential and should remain residential and that Mr. McGinley purchased this property with the intention of selling real estate and has been doing so illegally. They do not want this area opened up to businesses. There being none further to be heard the public hearing was closed at 9:21 p.m.

Councilmember McBryde moved to deny the request for rezoning, seconded by Councilmember Blackwell and carried unanimously.

Councilmember Cheek requested that the Planning Department submit a copy of the regulations for posting notices on proposed rezoning properties.

F. Consideration of amendments to the Fayetteville Urban Area Thoroughfare Plan.

This item was presented by the Traffic Engineer Louis Chalmers who recognized the Planning Department's staff who has worked on this project, Rick Heicksen and Karen Lincoln and Laura Rice, NCDOT Thoroughfare Planner from Raleigh. The Planning Board staff held a public meeting on September 1, 1992, and they advised there were no adverse comments that could recommend a change in the Thoroughfare Plan. This is the advertised public hearing for this date and hour.

The public hearing was opened at 9:26 p.m. and there being none to be heard in favor or opposition the public hearing was closed.

RESOLUTION AMENDING FAYETTEVILLE URBAN AREA  
THOROUGHFARE PLAN. RESOLUTION NO. R1992-140.

Councilmember Bolton moved to adopt the Fayetteville Urban Area Thoroughfare Plan amendment as recommended, seconded by Councilmember Kendrick and carried unanimously.

A copy of the foregoing resolution is on file in the Clerk's office in Resolutions Book R1992.

4. Consideration of paving Englewood Drive from Cedar Creek Road to Dead End. (Continued from July 6, 1992)

This item was deferred until the September 21 meeting.

5. Consideration of a resolution of the City Council of the City of Fayetteville directing the filing of an application for approval of the issuance of Public Works Commission electric, water and sewer utilities revenue bonds with the North Carolina Local Government Commission and designating the bond financing team members.

Councilmember Bolton requested to be excused from discussion or voting on this item as required by law. Councilmember McBryde moved to excuse Councilmember Bolton as requested, seconded by Councilmember Cheek and carried unanimously.

This item was presented by the City Manager John Smith with a recommendation of adoption of the resolution.

RESOLUTION DIRECTING THE FILING OF AN APPLICATION FOR APPROVAL OF THE ISSUANCE OF PUBLIC WORKS COMMISSION ELECTRIC, WATER AND SEWER UTILITIES REVENUE BONDS WITH THE NORTH CAROLINA LOCAL GOVERNMENT COMMISSION AND DESIGNATING THE BOND FINANCING TEAM MEMBERS.  
RESOLUTION R1992-141.

Councilmember Kendrick introduced the foregoing resolution and moved it's adoption, seconded by Councilmember Cheek and carried unanimously 8 to 0 with Councilmember Bolton abstaining.

A copy of the foregoing resolution is on file in the Clerk's office in Resolutions Book R1992.

6. Consideration of award of contract for Geographic Information Systems (GIS) hardware and software for PWC and City Administration to ESRI.

This item was presented by City Manager John Smith asking to award the contract on behalf of the City and PWC to ESRI, not to exceed \$370,000 and authorized the Mayor to execute the contract for the City and PWC. This is for the first phase of this project which will be for the hardware and software for the system for the storm water management portion of it and for the E-911. A copy of the bid tabulation is attached.

Councilmember Kendrick moved to follow the recommendation, seconded by Councilmember Bolton and carried unanimously.

Public Works Commission staff was excused at 9:35 p.m.

7. Consideration of amendment to lease between City of Fayetteville and Cape Fear Botanical Garden, Inc., for addition of 11 acres of leased space.

This item was presented by Parks and Recreation Director Robert Barefoot, stating there would still be access to the river if this property was utilized by the Botanical Garden. The Parks and Recreation Commission unanimously recommend that Council amend the current lease for addition of 11 acres of leased space to the Cape Fear Botanical Garden Inc., by authorizing advertisement.

Councilmember Robertson moved to follow the recommendation to authorize advertisement of the amendment of the lease, seconded by Councilmember Massey and carried unanimously.

8. Consideration of adoption of a resolution directing the City Clerk to investigate a petition received under GS 160A-31 (Petition-Initiated Contiguous Annexation Area) - Westlake of Morganton Road, Phase 1 (Property of Harris Farm Joint Venture)

This item was presented by Deputy City Manager Roger Stancil with a recommendation to adopt the resolution.

RESOLUTION DIRECTING THE CLERK TO INVESTIGATE A  
PETITION RECEIVED UNDER GS 160A-31. RESOLUTION  
R1992-142.

Councilmember Bolton introduced the foregoing resolution and moved its adoption, seconded by Councilmember McBryde and carried 7 to 2 with Councilmembers Torrey and Ross voting in opposition.

A copy of the foregoing resolution is on file in the Clerk's office in Resolutions Book R1992.

9. Consideration of voting and alternate delegate for National League of Cities Conference.

Councilmember Bolton nominated Mayor Dawkins as the voting delegate and Councilmember Kendrick as the alternate, seconded by Councilmember Robertson. They were elected unanimously.

10. Consideration of request by Councilmember Ross for discussion of noise ordinance.

This item was presented by City Manager John Smith stating that he has received additional information concerning the complaint to Ms. Ross that initiated this item. It has been discovered that the force of the loud music in this complaint has a police scanner making it difficult to approach the source. Methods are being developed to take care of this situation.

11. Appointments:

- A. Nominations to fill three vacancies on Joint Senior Citizens Advisory Commission

Councilmember Cheek nominated Eloise Haith for a second term and Councilmember Torrey nominated Ruby Evans to fill the vacancy of Maggie Shive. There were no nominations to fill vacancy of Joseph Covington. Elections will be held at the next Council meeting.

- B. Nominations to fill one vacancy on Appearance Commission

Councilmember Blackwell nominated Jim Hankins to fill the unexpired term of Charlie Singer, at-large category, to December 31, 1993. Election will be at the next Council meeting.

12. Administrative Reports:

- A. Report on tax refunds of less than \$100:

INVOCATION - PLEDGE OF ALLEGIANCE

Elder J. C. Reid, Church of God in Christ Pentecostal Temple offered the invocation followed by the Mayor leading in the Pledge of Allegiance to the American Flag.

RECOGNITION:

Certificate of Appreciation was presented to Joey Dixon of F & P Enterprises, d.b.a. Burger King by Mayor Dawkins from Parks and Recreation for playground equipment valued in excess of \$20,000 donated by the Burger King.

Mayor Dawkins also wanted to recognize some good things that had been happening in our community such as the Habitat for Humanity having four homes dedicated on Buxton Boulevard and the Chip Beck Golf Tournament raising over \$100,000.

Councilmember Ross also requested to recognize all the many works for the community by Ms. Christian Smith.

1. Approval of Agenda

Councilmember Robertson moved to approve the agenda as submitted, seconded by Councilmember Kendrick and carried unanimously.

2. Consent:

Mayor Dawkins presented the consent agenda and asked if any items should be removed before calling for action. Councilmember Bolton requested to pull item F for discussion. Councilmember Bolton moved to approve the consent agenda with the exception of item F. After a second from Councilmember Robertson the consent agenda and following items were unanimously approved.

- A. Adopt resolution setting a public hearing for October 19, 1992, to consider the closing of Brechin Road, pursuant to petition, from Fairfield Road, easterly to the eastern edge of Murray Hill, Section II, as recorded in Plat Book 17, Page 53, Cumberland County Registry.

PRELIMINARY RESOLUTION AND NOTICE OF INTENT TO CLOSE  
A PORTION OF BRECHIN ROAD. RESOLUTION NO. R1992-143.

A copy of the foregoing resolution is on file in the Clerk's office in Resolutions Book R1992.

- B. Approve the rezoning from C1P Shopping Center District to R5 Residential District or to a more restrictive zoning classification for an area located on the north side of Vancouver Drive, east of McPherson Church Road. (P92-109)
- C. Award construction contract for sports lighting to Annelect Mechanical & Electrical Supply Service Company, lowest responsible bidder, in the amount of \$123,866.40.

Bids received were as follows:

Annelect Mechanical & Electrical Supply Service Company	\$123,866.40
King Electric of Fayetteville, Inc.	\$144,400.00

- D. Set public hearing for October 5, 1992, to consider petitions for 25 Miles Per Hour Speed Zone in College Lakes Subdivision (Farmview Drive, Waterbury Drive, Southport Road, and Flat Rock Drive).
- E. Approved Special Revenue Project Ordinance Numbers 93-2 and 93-3.

Ordinance 93-2 is to disburse \$1,150,000 federal grant from the U.S. Department of Housing and Urban Development to the Community Development Department for continuation to address housing and neighborhood needs for the Senior Citizens Housing Rehabilitation Program and Emergency Repair Program to assist low income persons.

Ordinance 93-3 is to disburse \$35,215 for a state grant that requires a local match from Cumberland County in the amount of \$3,522 for the Fayetteville Police Department's Cumberland County Juvenile Restitution Program.

- F. (Pull for discussion)

- G. Adopt resolution declaring cost and ordering preparation of preliminary assessment roll and setting time and place for public hearing (October 5, 1992) on preliminary assessment roll for installation of sanitary sewer utilities in Evergreen Estates as follows: (PWC)

1. Ireland Drive	5. Westhill Drive
2. Village Drive	6. Crestview Drive
3. Brentwood Drive	7. Delwood Drive
4. Welmont Drive	8. Glenridge Road

RESOLUTION DECLARING COST AND ORDERING PREPARATION OF  
PRELIMINARY ASSESSMENT ROLL AND SETTING TIME AND  
PLACE FOR PUBLIC HEARING FOR INSTALLATION OF SANITARY  
SEWER UTILITIES. RESOLUTION NO. R1992-144.

A copy of the foregoing resolution is on file in the Clerk's office in Resolutions Book R1992.

- H. Approve Fireworks Display Permit for Fayetteville Jaycees.

2-F. Approve bid awards to LaFayette Ford in the amount of \$30,811.00, and Baker Equipment Engineering Company in the amount of \$47,879.00, low bids, for purchase of one truck cab and chassis with aerial lift and chip dump body. (PWC)

Councilmember Bolton asked if this equipment should not have come under state contract. Staff responded that these are not on state contract. The bids received were as follows:

<u>Bidder</u>	<u>Cab &amp; Chassis</u>	<u>Aerial Lift w/Dump Body</u>
Reach Equipment Company	\$33,001.00	\$53,373.00
LaFayette Ford	\$30,811.00	No Bid

*Altec Industries	\$27,323.00	\$46,545.00

\*Alternate Bid for demonstrator units

Councilmember Bolton moved to award the bids as recommended, seconded by Councilmember McBryde and carried unanimously.

### 3. Public Hearings:

Mayor Dawkins read the policy on the time limit for speakers for public hearings and nonpublic hearings.

- A. Consideration of the rezoning from R10 Residential District to R5A Residential District or to a more restrictive zoning classification for an area located at the northwest corner of Cain Road and Varrene Court. (P92-63)

This item was presented by Assistant Planning Director Al Mitchell stating that Council had called for the public hearing on this item and the Planning Board recommends denial of R5A and approval of R6. This is the advertised public hearing for this date and hour.

The public hearing was opened at 7:15 p.m. and there being none to speak in favor or opposition the public hearing was closed. Councilmember Blackwell asked Rudolph Singleton to make a statement and Mr. Singleton stated he was the attorney representing the petitioner W. C. Maxwell, who would accept the R6 zoning.

Councilmember McBryde moved to rezone this property to R6, seconded by Councilmember Cheek and carried unanimously.

- B. Consideration of the rezoning from P2 Professional District to C1 Local Business District or to a more restrictive zoning classification for an area located at 104 Willborough Avenue. (P92-64)

This item was presented by Assistant Planning Director Al Mitchell stating that the Planning Board recommends approval. The planning staff recommends denial of the requested rezoning because the P2 professional district provides a transition from the commercially-zoned property to the south to the residential area to the north. This is the advertised public hearing for this date and hour.

The public hearing was opened at 7:22 p.m. and speaking in favor was John G. Shaw, attorney for the petitioner, stating that this land can not be used as is presently zoned. They also feel that it will not harm the professional or commercial land which borders this property. Appearing in opposition was Ms. Vi Forbis, 431 Northview Drive, she stated she was a property owner in the area and had also spoken with five

residents on Willborough Street who were either unable to come to the meeting due to health reasons or being elderly or being unable to get out at night, that were all in opposition to this rezoning. Ms. Forbis stated she is in real estate and felt Council should consider the impact this rezoning might have on the traffic on that street. The streets are already being used for test driving by one of the businesses along the C1 area on Raeford Road.

There being none further to be heard on this matter the public hearing was closed at 7:37 p.m.

Following some discussion Councilmember Kendrick moved to deny the rezoning request, seconded by Councilmember Robertson and carried 7 to 2 with Councilmembers Blackwell and Ross voting in opposition.

- C. Consideration of adoption of resolutions confirming assessment rolls and levying assessments for installation of sanitary sewer collection system in University Estates as follows: (PWC)

This item was presented by PWC Staff Tom McNeill and Henry Powers with a recommendation to adopt the resolutions levying assessments in the amount of \$12 per front foot. This is the advertised public hearing for this date and hour.

1. Livingston Drive

The public hearing was opened at 7:46 p.m. and there was none to speak in favor. Appearing in opposition was Glorius S. Holloway, 5535 Livingston Drive, and Troy M. Owens, 5534 Livingston Drive. Both agreed that the \$12 per square foot was too much and they had neither one asked for this to be installed. There being none further to be heard on this matter the public hearing was closed at 8:00 p.m.

Mayor Dawkins ruled that the public hearings on all six streets would be heard before action is taken.

2. Spellman Drive

The public hearing was opened at 8:01 p.m. and there being none to be heard on this matter the public hearing was closed at 8:02 p.m.

3. Fiske Drive

The public hearing was opened at 8:02 p.m. and there was none to speak in favor. Speaking in opposition was Marie Lawrence, who was opposed to the \$12 assessment as well as the 8% interest for not being able to take advantage of the 30% discount for early pay. Also appearing in opposition was Charlie Lee Mott, 907 Fiske Drive, President of the University Estates Association. Mr. Mott stated he was representing the whole neighborhood as President of the Association and they all agreed the \$12 per front foot was too much for the residents of this area to afford. There were approximately 30 people present to stand in opposition to this item. There being none further to be heard on this matter the public hearing was closed at 8:20 p.m.

4. Edmeston Drive

The public hearing was opened at 8:33 p.m. and there was none to speak in favor. Appearing in opposition was Richard Hillman, 5750 Edmeston Drive, requesting the same reduction in the assessment rate from \$12 to \$9 that was afforded the area in the recent past. He stated the \$12 per foot is too much for the people in the University Estates to afford. Mayor Dawkins explained that the recent reduction was due to the hardship placed upon the area by the project and University Estates did

not have this problem. Mr. Rene Paez, Jr., 5742 Edmeston Drive, also requested the reduction. He stated in order to sell his home he would have to reduce the price of the house plus losing the \$1,000 he will have to pay for assessment. Councilmember Robertson explained to Mr. Paez that the sewer connection would increase the price of his property over a septic tank. There being none further to be heard on this matter the public hearing was closed at 8:48 p.m.

5. Demerest Drive

The public hearing was opened at 8:50 p.m. and there being none to be heard on this matter the public hearing was closed.

6. Shaw Road

The public hearing was opened at 8:50 and there was none to speak in favor. Speaking in opposition was Amos C. Brown, 2008 Shaw Road, he stated that everyone in University Estates is speaking on the same problem of the assessment being too high and needing an extension of time to pay the assessment and the tap-on fee. Towanda Burnett, 2018 Shaw Road, also spoke in opposition to the \$12 per foot assessment and the tap-on fee. She also objected to the plumbing work to be done. She stated she would not be able to afford this because she has a daughter on a breathing machine. There being none further to be heard on this matter the public hearing was closed at 8:55 p.m.

7. Meharry Drive

The public hearing was opened at 8:55 p.m. and there being none to speak on this matter the public hearing was closed.

8. Shaw Mill Road

The public hearing was opened at 8:56 p.m. and there was none to speak in favor. Speaking in opposition was Mr. Jean Barry, Barnhill Contracting Company, 936 Shaw Mill Road. He displayed large aerial photographs of the property involved. He stated this is a triangle-shape piece of property that would never be suitable for development and has been used for many many years as a construction company site. This is a small business with only 2 bathrooms and he feels \$10,000 is an excessive amount. Mr. Barry is requesting Council delay a decision until he can hire a professional assessor. There being none further to be heard on this matter, the public hearing was closed at 9:02 p.m.

9. Shrewsbury Drive

The public hearing was opened at 9:02 p.m. and there being none to be heard on this matter the public hearing was closed.

Councilmember Torrey moved to adopt the assessment roll at a reduced rate to \$9 per square foot for all nine of the above streets. The motion was seconded by Councilmember Massey. Councilmember Cheek offered a friendly amendment to delay action on Item 8-Shaw Mill Road, to allow for the assessor's report. Councilmember Torrey accepted the friendly amendment.

Councilmember Blackwell stated he would have to vote in opposition to the reduced assessment rate as he has in the past for all the others. Councilmember Cheek stated she also would have to vote in opposition because except for the hardship case, she has always voted for \$12 assessments for improvements. Mayor Dawkins called for a vote and the motion failed 3-6 with Councilmembers Blackwell, Cheek, Robertson, Bolton, McBryde and Kendrick voting in opposition.

Councilmember Bolton moved to delay action on Shaw Mill Road to November 16 with owner acquiring an appraisal at his

expense. The motion was seconded by Councilmember Cheek and carried 6 to 3 with Councilmembers Robertson, Blackwell and Ross voting in opposition.

Councilmember McBryde moved to adopt the resolutions confirming the assessment rolls at \$12 per front foot for Items 1-7 and 9 above. The motion was seconded by Councilmember Blackwell and carried 7 to 2 with Councilmembers Torrey and Ross voting in opposition at 9:20 p.m. The resolution titles are as follows:

RESOLUTION CONFIRMING ASSESSMENT ROLL AND LEVYING ASSESSMENTS FOR INSTALLATION OF SANITARY SEWER COLLECTION SYSTEM (LIVINGSTON DRIVE). RESOLUTION NO. R1992-145.

Copies of the foregoing resolutions are on file in the Clerk's office in Resolutions Book R1992.

Councilmember Cheek requested that additional information be furnished on the tap-on fees and the possible reduction in these fees. Mayor Dawkins stated this would be an item on the Information Meeting for September 28.

At this time Charlie Mott raised his hand to be recognized and Councilmembers Ross and Blackwell asked to hear what Mr. Mott had to say. He requested to be able to appear at the Information Meeting when this item is discussed. Councilmember Kendrick stated he felt that the City and PWC are trying to break even on these fees that are being charged for assessments and tap-ons and not expecting to make a profit. Mayor Dawkins stated again that this item would be on the agenda for the Information Meeting.

- D. Consideration of adoption of resolution confirming assessment roll and levying assessments for the improvement of Windemere Drive (from Cliffdale Road to Cornish Street) for paving.

This item was presented by City Attorney Bob Cogswell. This is the advertised public hearing for this date and hour and Mr. Cogswell submitted a certificate that notices of the preliminary assessment roll for the paving improvement projects on Windemere Drive were mailed by first class mail to the property owners shown on the assessment roll.

The public hearing was opened at 9:30 p.m. and there being none to be heard on this matter the public hearing was closed.

RESOLUTION CONFIRMING ASSESSMENT ROLL AND LEVYING  
ASSESSMENTS. RESOLUTION NO. R1992-153.

Councilmember Bolton introduced the foregoing resolution and moved it's adoption, seconded by Councilmember Torrey and carried unanimously at 9:30 p.m.

A copy of the foregoing resolution is on file in the Clerk's office in Resolutions Book R1992.

- E. Consideration of adoption of resolution confirming assessment roll and levying assessments for the improvement of Redstone Drive (from Dillon Drive to S/E corner of Lot 4, Plat Book 24/73) for paving.

This item was presented by City Attorney Bob Cogswell. This is the advertised public hearing for this date and hour and Mr. Cogswell submitted a certificate that notices of the preliminary assessment roll for the paving improvement projects on Redstone Drive were mailed by first class mail to the property owners shown on the assessment roll.

The public hearing was opened at 9:31 p.m. and there being none to speak in favor or opposition the public hearing was closed.

At this time Councilmember Kendrick requested to hear from Gertrudis Wozniak, 2149 Redstone Drive, because he was unable to assist her before the meeting. Ms. Wozniak questioned the wording "up to \$10 per foot". She felt that Council should have considered a lesser amount than \$10. She stated that she pays taxes and has not had a salary increase to cover these expenses.

RESOLUTION CONFIRMING ASSESSMENT ROLL AND LEVYING  
ASSESSMENTS. RESOLUTION NO. R1992-154.

Councilmember Kendrick introduced the foregoing resolution and moved it's adoption, seconded by Councilmember Bolton and carried unanimously at 9:32 p.m.

A copy of the foregoing resolution is on file in the Clerk's office in Resolutions Book R1992.

The City Attorney requested a correction to a name on the assessment roll for Item 3D page 2. It shows the name Bunce and this should be Bruce.

Councilmember Bolton moved to make the correction as requested, seconded by Councilmember Cheek and carried unanimously.

4. Consideration of the paving without petition of Englewood Drive. (Continued from July 6, 1992)

This item was presented by City Manager John Smith stating that this item was continued in order to study the cul-de-sac and to allow the property owners to possibly re-plat the property at the end of the street. This is a paving without petition because the petition was not valid. Fire Chief Piner recommended the cul-de-sac as opposed to the T-shaped turn-around. During discussion, Councilmember Blackwell

requested the City Engineer to contact the affected property owners concerning any possible drainage problems.

FINAL RESOLUTION REQUIRING THE PAVING WITHOUT A PETITION OF ENGLEWOOD DRIVE FROM CEDAR CREEK ROAD TO DEAD END. RESOLUTION NO. R1992-155.

Councilmember Kendrick introduced the foregoing resolution and moved it's adoption, seconded by Councilmember Massey and carried 8 to 1 with Councilmember Robertson voting in opposition.

A copy of the foregoing resolution is on file in the Clerk's office in Resolutions Book R1992.

5. Consideration of award of purchase contract for receivers and consoles.

This item was presented by City Manager John Smith with a recommendation to award the purchase contract for receivers and consoles for the Communications Department to Motorola C & E, Inc. in the amount of \$67,722, lowest responsible bidder.

Councilmember Bolton moved to follow the recommendation, seconded by Councilmember Robertson and carried unanimously.

6. Consideration of adoption of resolution fixing date of public hearing on question of annexation pursuant to G.S. 160A-31, as amended (Petition-Initiated Contiguous Annexation Area) - Westlake at Morganton Road, Phase 1. Recommended public hearing date is October 5, 1992.

This item was presented by Deputy City Manager Roger Stancil with a recommendation for adoption of the resolution.

RESOLUTION FIXING DATE OF PUBLIC HEARING ON QUESTION OF ANNEXATION PURSUANT TO GS 160A-31, AS AMENDED (WESTLAKE AT MORGANTON ROAD - PHASE 1, PROPERTY OF HARRIS FARM JOINT VENTURE AND OTHERS). RESOLUTION NO. R1992-156.

Councilmember Cheek introduced the foregoing resolution and moved it's adoption, seconded by Councilmember Bolton and carried 7 to 2 with Councilmembers Torrey and Ross voting in opposition.

A copy of the foregoing resolution is on file in the Clerk's office in Resolutions Book R1992.

7. Consideration of amending Policy 155.3, Deeds in Lieu of Tax Foreclosure.

This item was presented by City Manager John Smith stating that this is to change the words "City Engineer" to "Community Services Director and/or Designee" as a result of recent reorganization. Council can either refer this to the Policy Committee or adopt the change tonight.

Councilmember Bolton moved to change the wording from "City Engineer" to "Community Services Director and/or Designee". The motion was seconded by Councilmember Kendrick and carried unanimously.

8. Discussion of interest charged on assessment payments.

Councilmember Cheek moved to refer to the Policy Committee for consideration of lowering the interest rates from 8% and consider the discount rates. The motion was seconded by Councilmember McBryde and carried unanimously.

9. Appointments:

- A. Nominations to fill three vacancies on the Joint Senior Citizens Advisory Commission.

Eloise Haith was elected unanimously to serve a second term. The election of Ruby P. Evans to fill the vacancy of Margaret Shive will be delayed until the next meeting. There was no nomination for the vacancy of Joseph Covington.

- B. Nominations to fill one vacancy on the Appearance Commission.

Jim Hankins, 205 Northview Drive, Fayetteville, NC, 28303, was elected unanimously to fill the unexpired term of Charlie Singer in the at-large category to December 31, 1993.

10. Administrative Reports:

- A. Statement of taxes collected for the month of August, 1992, from the Cumberland County Tax Collector.

Council accepted the statement of taxes for the month of August, 1992, in the amount of \$117,928.05 from the County Tax Collector.

Councilmember Robertson requested to be excused from the Information Meeting on September 28 due to being out-of-town on business. Councilmember Bolton moved to excuse Councilmember Robertson as requested, seconded by Councilmember Massey and carried unanimously 8 to 0.

There being no further business the meeting was adjourned at 10:00 p.m. upon motion and second.

Respectfully submitted,

---

MEMO TO: FAYETTEVILLE CITY COUNCIL

FROM: CUMBERLAND COUNTY JOINT PLANNING BOARD

SUBJECT: CASE NO. P92-100. THE REZONING FROM R6 RESIDENTIAL DISTRICT TO P2 PROFESSIONAL DISTRICT OR TO A MORE RESTRICTIVE ZONING CLASSIFICATION FOR AN AREA LOCATED ON THE WEST SIDE OF DEVERS STREET, SOUTH OF FORT BRAGG ROAD. (FAYETTEVILLE ORDINANCE)

ACTION: THE ELEVEN MEMBERS PRESENT AT THE SEPTEMBER 15, 1992 REGULAR MEETING VOTED UNANIMOUSLY TO APPROVE THE REQUESTED REZONING

Mr. Lloyd displayed a map outlining the existing zoning and land use in the area.

Mr. Lloyd stated that the Planning staff recommends approval of the requested rezoning to P2 Professional District based on the following:

1. The area has developed for institutional uses.

The Planning staff finds that all or any portion of this site is suitable for the P1 Professional District and not suitable for the R5A and R5 Residential Districts.

Note: The 2010 Land Use Plan calls for medium density residential uses at this location.

Mr. Ray Vallery, representing the owners, was present for questions.

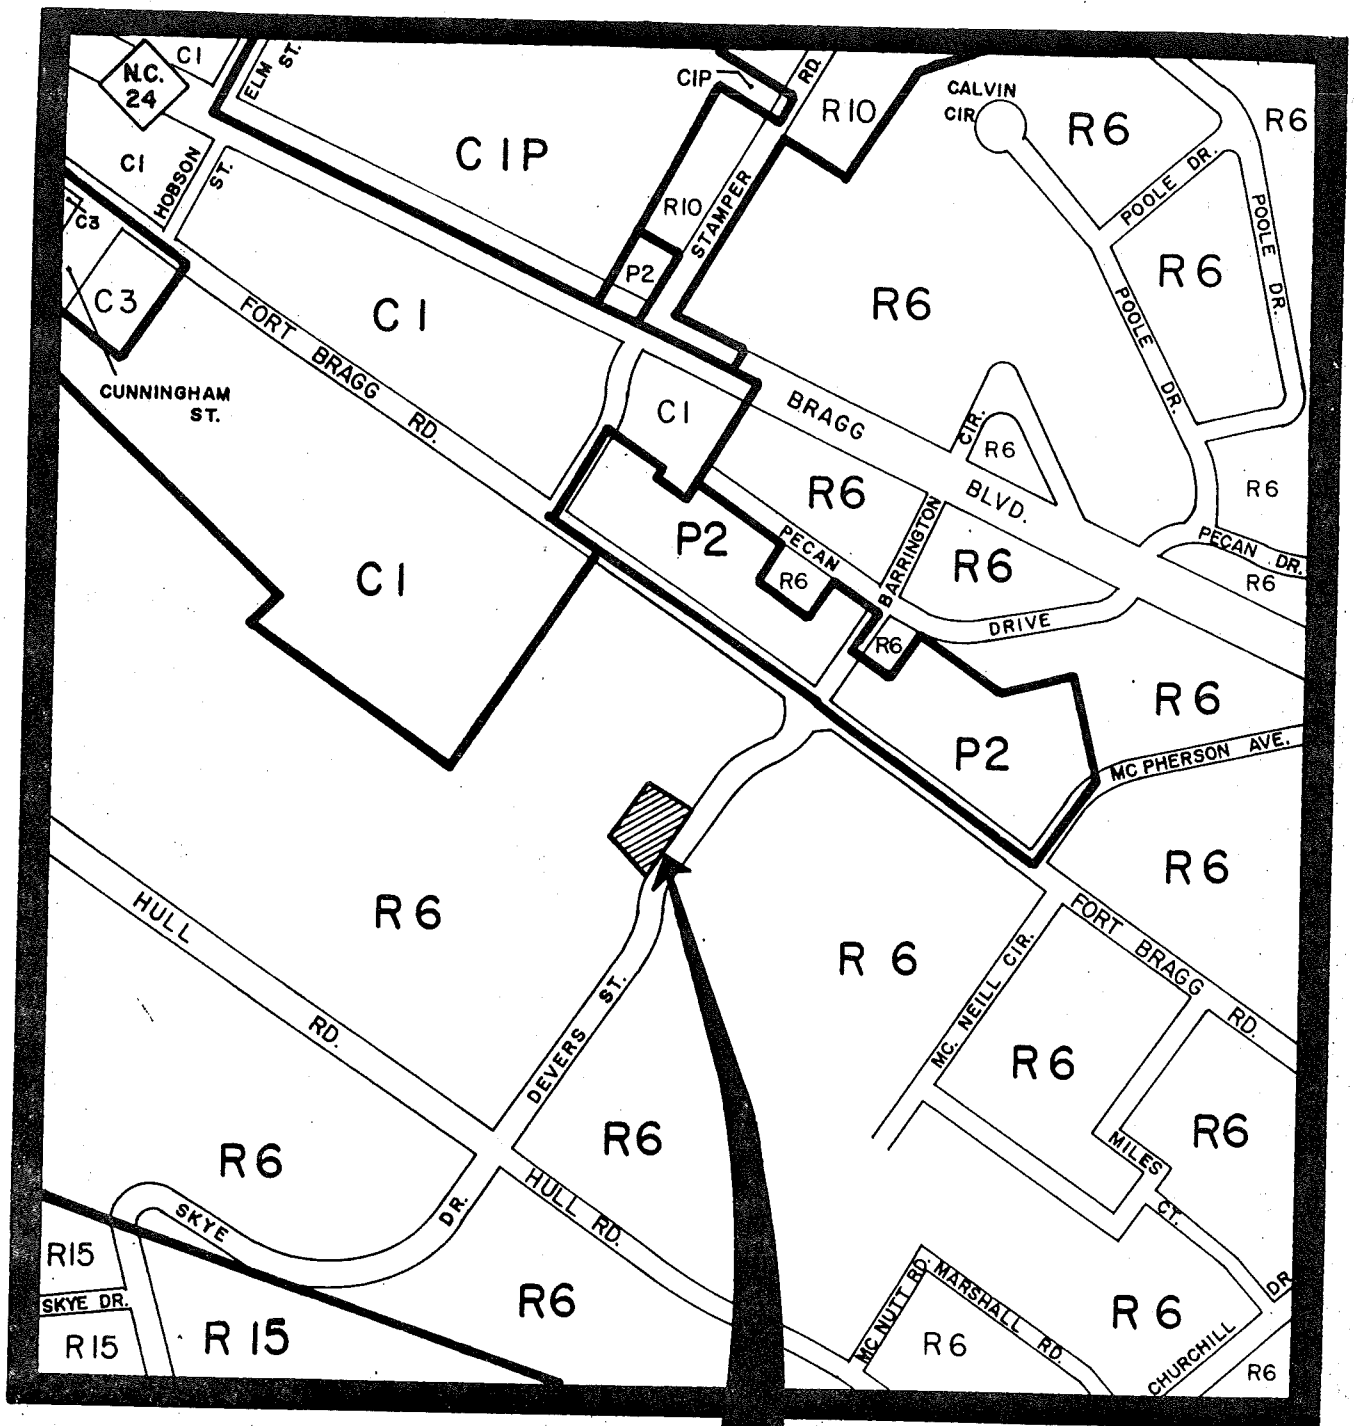

No one appeared in opposition to the requested rezoning.

After finding that the request is reasonable, not unduly discriminatory, in the public interest and all uses permitted in the proposed district are suitable for this property, a motion was made by Mr. Tew and seconded by Mr. Hasan to approve the requested rezoning. The motion passed unanimously.

ACTION: THE ELEVEN MEMBERS PRESENT AT THE SEPTEMBER 15, 1992 REGULAR MEETING VOTED UNANIMOUSLY TO APPROVE THE REQUESTED INITIAL ZONING

Mr. Lloyd displayed a map outlining the existing zoning and land use in the area.

Mr. Lloyd stated that the Planning staff recommends approval of the initial zoning to R10 Residential District based on the following:

1. The proposed initial zoning is consistent with the previous County zoning.

Note: The 2010 Land Use Plan calls for low density residential development at this location.

No one appeared in favor of or in opposition to the requested initial zoning.

After finding that the request is reasonable, not unduly discriminatory, in the public interest and all uses permitted in the proposed district are suitable for this property, a motion was made by Mr. Lucas and seconded by Ms. Vick to approve the initial zoning. The motion passed unanimously.

MEMORANDUM

TO: John P. Smith, City Manager

FROM: John B. (Ben) Brown, Jr., Assistant City Manager, Administration & Finance *JBB*

SUBJECT: Setting a Public Hearing for October 19, 1992, To Adopt Guidelines For Minority Business Participation In Contracts Awarded By The City

On September 5, 1989, Council adopted the attached resolution (R1989-127) pursuant to N.C.G.S. Sec. 143-128, which established "interim guidelines" until appropriate verifiable percentage goals could be determined.

The purpose of the public hearing at Council's Regular Meeting on October 19, 1992, will be to adopt permanent City-wide guidelines which will include the Public Works Commission (PWC). We have coordinated closely with PWC on this matter and propose to use the format and forms which it has developed and is currently using. We will recommend adoption of a flat ten percent (10%) verifiable goal for all future building projects awarded pursuant to N.C.G.S. Sec. 143-128. The State's and the County's verifiable goals are ten percent (10%); the School Board's goal is fifteen percent (15%).

Recommend Council set the public hearing.

ITEM 2.4

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF FAYETTEVILLE  
ADOPTING GUIDELINES FOR MINORITY BUSINESS PARTICIPATION  
IN CONTRACTS AWARDED BY THE CITY

THAT WHEREAS, it has been and will continue to be the policy of the City of Fayetteville to assure that minority business enterprises shall have the maximum possible opportunity to participate in the performance of contracts awarded by the City;

THAT WHEREAS, Chapter 480 of the General Assembly of North Carolina, 1989 Session, requires that municipalities adopt an appropriate verifiable percentage goal for participation by minority businesses in the total value of work for which a contract or contracts are awarded pursuant to N.C.G.S. sec. 143-128;

THAT WHEREAS, on the 5th day of September, 1989, a public hearing was held for purposes of adopting interim guidelines until appropriate verifiable percentage goals for participation by minority businesses in the total value of work for which contracts are awarded by the City Council pursuant to N.C.G.S. sec. 143-128 can be determined;

THEREFORE BE IT RESOLVED that:

- (1) The term "minority business" means a business:
  - a. In which at least fifty-one percent (51%) is owned by one or more minority persons, or in the case of a corporation, which at least fifty-one percent (51%) of the stock is owned by one or more minority persons; and
  - b. Of which the management and daily business operations are controlled by one or more of the minority persons who own it.

(2) The term "minority person" means a person who is a citizen or lawful permanent resident of the United States and who is:

- a. Black, that is, a person having origins in any of the black racial groups in Africa;
- b. Hispanic, that is, a person of Spanish or Portugese culture with origins in Mexico, South or Central America, or the Caribbean Islands, regardless of race;
- c. Asian American, that is, a person having origins in any of the original peoples of the Far East, Southeast Asia and Asia, the Indian subcontinent, the Pacific Islands;
- d. American Indian or Alaskan Native, that is, a person having origins in any of the original peoples of North America; or
- e. Female.

✓ (3) The term "verifiable goal" means for purposes of the separate prime contract system, means written guidelines specifying the actions that will be taken to ensure a good faith effort in the recruitment and selection of minority businesses for participation in contracts awarded by the City; and

(4) The term "verifiable goal" means for purposes of the single-prime contract system, means written guidelines specifying the actions that the prime contractor must take too ensure a good faith effort in the recruitment and selection of minority businesses for participation in contracts awarded by the City; the required actions must be documented in writing by the contractor to the City.

(5) Through its City Manager, the Administrative Services Department, Engineering Department, and Project Managers on contracts awarded pursuant to N.C.G.S. sec. 143-128 the City shall:

- a. Require all bidders to submit as part of their bid a statement as to the recruitment and selection of minority businesses for participation and what percentage, if any, of the work will be performed by minority businesses if the contract is awarded to include any percentage requirements on contracts utilizing Federal Aviation Administration or Urban Mass Transit Administration Grant Funds;

- b. Keep a register of minority businesses by trade and to notify those businesses listed where part or all of the work to be awarded involves that particular trade;
- c. Assist minority businesses in understanding general statutory requirements regarding bids and bonding process;
- d. Elicit the participation by City Representatives at minority contractor business meetings; monitor minority business bids and awards; implement a record-keeping and reporting system for assessing minority business program accomplishments;
- e. Require all contracts to fully document any and all failures to accomplish the guidelines herein for utilization of minority businesses; comply with Resolution No. R1984-31 of the Fayetteville City Council regarding disadvantaged business enterprises.
- f. Immediately review previous minority business participation studies and reports prepared by Talbert Cox and Associates and other consultants to determine the verifiable percentage goals for minority participation in contracts awarded by the City pursuant to N.C.G.S. sec. 143-128.
- g. That a separate verifiable percentage goal as defined by N.C.G.S. sec. 143-128 will be determined for each separate contract or contracts awarded pursuant to N.C.G.S. sec. 143-128.

Adopted this 5<sup>th</sup> day of September, 1989.

MEMO TO: JOHN SMITH, CITY MANAGER  
FROM: GEORGE VAUGHAN, PLANNING DIRECTOR  
SUBJECT: APPROVAL OF ITEM 10 FROM RESOLUTION AMENDING FAYETTEVILLE  
URBAN AREA THOROUGHFARE PLAN

In preparing the resolution for Fayetteville City Council's September 8, 1992 meeting, we left out change Number 10 which was to add East and West Mountain Drives to the Thoroughfare Plan as minor thoroughfares from Camden Road to Owen Drive Extension.

We would like to have the attached revised resolution passed by City Council at the City's earliest convenience.

ITEM 2.N.

Resolution Passed By  
the CITY COUNCIL of the CITY OF FAYETTEVILLE, NORTH CAROLINA

The following resolution was offered by Council Member \_\_\_\_\_  
\_\_\_\_\_ and seconded by Council Member \_\_\_\_\_  
and upon being put to a vote was carried \_\_\_\_\_ on the \_\_\_\_\_  
day of \_\_\_\_\_:

THAT WHEREAS, the City of Fayetteville, Towns of Spring Lake and Hope Mills, Counties of Cumberland and Harnett, and the North Carolina Department of Transportation did mutually adopt a thoroughfare plan for the Fayetteville Urban Area; and

WHEREAS, North Carolina General Statutes 136-66-2(d) provides that either the Municipality of Department of Transportation may propose changes in an adopted plan at any time by giving notice to the other party, but no change shall be effective until it is adopted by both the Department of Transportation and the Municipal Governing Board; and

WHEREAS, it is recognized that the proper movement of traffic within and through the Fayetteville Urban Area is a highly desirable element of the thoroughfare plan for the orderly growth and development of the urban area; and

WHEREAS, the Technical Coordinating Committee and the Transportation Advisory Committee for the Urban Area has reviewed and approved said revisions; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF FAYETTEVILLE, NORTH CAROLINA:

That the Fayetteville Urban Area Thoroughfare Plan, dated September 23, 1991 be revised as follows, subject to the approval of the Department of Transportation:

1. Remove proposed Grave Street Extension from Gruber Street approximately 1,000 feet west to proposed Yadkin Road Extension.
2. Remove proposed Bastogne Drive Extension from Gruber Street approximately 1,100 feet west to proposed Yadkin Road Extension.
3. Remove proposed Yadkin Road Extension from 1,500 feet south of Grave Street approximately 1.9 miles north to Longstreet Road.
4. Remove proposed Knox Street Extension from Bragg Boulevard (NC 24) approximately 1.2 miles east to Murchinson Road (NC 87/210).
5. Remove proposed West Mountain Drive Connector from SR 1007 (Owen Drive) approximately 2,000 feet south to SR 1003 (Camden Road).
6. Remove Wilkes Road major thoroughfare from US 301/I-95 Business approximately 1.6 miles east to Elizabethtown Road.

7. Remove Mountain Drive major thoroughfare from SR 1003 (Camden Road) approximately 2.4 miles east to NC 87 (CBD Loop).
8. Add proposed major thoroughfare (Owen Drive Extension) from US 301/I-95 Business following existing Wilkes Road approximately 2,000 feet, then onto new location approximately 0.9 miles to existing Mountain Drive, and following existing Mountain Drive approximately 3,000 feet to NC 87 (where NC 87 currently terminates). The eastern terminus of Owen Drive Extension (at NC 87) will tie into the proposed interchange with the future CBD Loop.
9. Add Wilkes Road minor thoroughfare from Owen Drive Extension (2,000 feet east of US 301/I-95 Business) approximately 1.3 miles east to Elizabethtown Road. See item #8 above.
10. Add Mountain Drive minor thoroughfare from SR 1003 (Camden Road) approximately 2.0 miles east to Owen Drive Extension (3,000 feet west of NC 87). See item #8 above.

I, \_\_\_\_\_, Clerk of the City of Fayetteville, North Carolina, do hereby certify that the above is a true and correct copy of excerpts from the minutes of the City Council of said City.

THAT WHEREAS, the Lessee was organized as a non-profit scientific, education, and charitable corporation that is dedicated to improve the quality of life in the Cape Fear region through the establishment and maintenance of a Botanical Garden in or around the City of Fayetteville;

WHEREAS, the Lessor is the owner of a tract of land, herein described, on which the Lessee desires to locate a Botanical Garden; and

WHEREAS, the purposes of the Botanical Garden are supportive of the purposes of Parks and Recreation and the maintenance of a Botanical Garden by Lessee would provide a place for the education, recreation and entertainment for the citizens of the City and others; and

WHEREAS, the Lessor is willing to lease the property herein described to the Lessee, on the terms and conditions hereinafter set forth, all of which are agreeable to the Lessee.

NOW, THEREFORE, in consideration of the premises and other valuable consideration, the receipt and sufficiency of which is acknowledged by each of the parties, the Lessor and Lessee agree as follows:

1. LEASED PROPERTY. Lessor hereby leases to Lessee and Lessee hereby leases from Lessor approximately 67 acres of real property located at Pope Park in Fayetteville, North Carolina, herein referred to as the "Leased Property," the precise description of which is attached hereto as Exhibit "A".

2. TERM. The term of this Lease shall begin on April 22, 1990, and, unless terminated or extended, shall end on April 21, 2040, herein the "basic term". Lessee may extend the basic term of this Lease at the expiration of the basic term herein upon the approval of Lessor for an additional period of time as approved by Lessor, whose consent shall not be unreasonably withheld. Any request to modify or extend the basic term shall be in writing, sent to Lessor at least three (3) months prior to the expiration of the basic term.

3. RENT. Lessee shall pay to Lessor, as rent for the leased property during the basic and extended term, the sum of ONE DOLLAR (\$1.00) per year, the rental for the basic term to be paid in advance upon the execution of this Lease and the rental for any extended term to likewise be paid in advance.

4. COMPLIANCE WITH REQUIREMENTS. Lessee shall procure, maintain and comply with all permits, licenses and other

requirements for the use of the leased property as a private, non-profit organization and for its lawful operation, maintenance and repair, in accordance with all state and local laws and ordinances.

5. LESSEE'S RIGHT TO IMPROVE. Lessee shall have the right to construct on the leased property, at its own cost and expense, such improvements as are necessary in the Lessee's opinion for conducting its activities, subject to the following terms:

A. Design. The parties acknowledge that the site design and location of Lessee's improvements on the leased property are important to the Parks and Recreation Commission of Lessor (hereinafter referred to as Commission) from the standpoint of the overall design and utilization of the contiguous property owned by the Lessor. Lessee shall provide to the Lessor a master site design plan for the leased property and its intended use by the Lessee, such master site design plans to be provided by Lessee within 365 days after approval of this Lease. The master design site plan shall be approved by the City Council or its designee, which approval shall not be unreasonably withheld. The City Council or its designee agree to consult with the Lessee and any architect or other professional employed by the Lessee to design any buildings and improvements to be located on the leased property in

an attempt to ensure that the needs of both the Lessor and the Lessee are fulfilled in the master site design plan. Lessee agrees to locate all permanent structures exceeding \$30,000.00 in value on the leased property as set forth in the master site design plan developed as aforesaid. All building plans of Lessee for permanent structures in excess of \$30,000.00 in value shall be approved by the City Manager or his designee prior to the issuance of a building permit by Lessor.

B. Indemnification. Lessee hereby agrees to indemnify and save harmless Lessor against any and all bills for labor performed and equipment, fixtures, and materials furnished to Lessee in connection with improvements on the leased property and for any and all liens, bills, or claims therefore and against the improvements and from and against all loss, damages, costs, expenses, suits, claims and demands whatsoever arising out of the Lessee's use of the leased property.

C. Lessee shall not have the right to encumber the leased premises with any mortgage, deed of trust, or other security interest or instrument, except that any secured party of Lessee may obtain a security interest, in the form of a UCC-1 Financing Statement, in and to the improvements erected on the

leased premises, but not the real property of the Lessor. Any secured interest as permitted herein shall not be assigned, pledged, transferred or otherwise encumbered without the consent of Lessor. For purposes of this Lease, the demised premises and the improvements placed thereon shall be deemed real property.

D. As part of the construction of any permanent structure in excess of \$30,000.00, Lessee shall be required to obtain from any general contractor, heating and air conditioning contractor, electrical contractor, or plumbing contractor:

- (a) Performance and payment bonds meeting the requirements of N.C.G.S. sec. 44A-33;
- (b) Property and liability damage insurance protection in an amount of \$500,000 combined single limit coverage;
- (c) Workers' Compensation coverage as required by law;
- (d) Builder's risk coverage to the extent of the work performed on the contract.
- (e) Owner's and contractor's protective liability in the same amount as paragraph (b) above, naming "Friends" as an insured.

Proof of the foregoing insurance and bonds shall be submitted to Lessor before any building permit is issued.

Provided that if any work or labor by volunteers or at no cost to Lessee, the requirements of paragraphs (a), (b), (d) and (e) shall be waived as to that particular part of the work.

6. USE. Lessee shall use the Leased Property for the purposes of building and operating a Botanical Garden; provided, however, that the Lessee shall not use or occupy or permit the leased property or any part thereof to be used for or occupied for any unlawful business, use, or purpose or for a purpose constituting a public or private nuisance or which is in violation of any present or future governmental laws or regulations. The Lessee shall not deny use of the leased property to any person on the basis of race, creed, color, handicap or national origin. There shall be no alcoholic beverages permitted on the leased premises, except pursuant to duly authorized State of North Carolina ABC permits.

7. REPAIR AND MAINTENANCE. (a) No alteration shall be made to the exterior dimensions of any permanent structure in excess of \$30,000.00 in value located on the premises without written approval of the Lessor.

(b) The Lessee shall bear the entire expense of all periodic repairs, alterations, improvements, maintenance and replacements required on the leased property, and any such

repairs, alterations, improvements, maintenance and replacements shall be accomplished promptly in a good workmanlike manner, in compliance with all applicable laws of all governmental authorities.

(c) The Lessee shall pay all charges for janitorial services for the general care and cleaning of the leased property.

8. DEFAULT. After Lessee's plans are approved in accordance with paragraph 5.A., and except for periods of construction thereafter, if the leased property shall be deserted or vacated for more than ninety (90) days, or if proceedings are commenced against the Lessee in any court under a bankruptcy act or for the appointment of a trustee or receiver of the Lessee's property, or if there shall be a default in the payment of rent or any part thereof for more than fifteen days after written notice of such default given by the Lessor, or if there shall be default in the performance of any other covenant, agreement condition, rule, or regulation herein contained on the part of the Lessee for more than sixty (60) days after written notice of such default given by the Lessor, this Lease, if the Lessor so elects, shall thereupon become null and void and the Lessor shall have the right to: (1) re-enter or repossess the leased property and remove therefrom the Lessee or other occupants without being liable therefore; and (2) Immediate possession, title and interest to any and all improvements with the right to sell or otherwise dispose of the same.

The foregoing rights of Lessor to re-enter and possess the improvements shall in no way relieve Lessee of the obligations of paragraph 5.B. herein.

9. UTILITIES. The Lessee shall pay all charges for gas, electricity, light, heat, power, and telephone or other communication service used, rendered, or supplied upon or in connection with the leased property, and shall indemnify the Lessor against any liability or damages on such account. Lessee shall also pay the cost of any extensions or hook-ups for utility service to the site.

10. TAXES. To the extent that a non-profit corporation would be otherwise assessed for such taxes, Lessee agrees that it will list in its name for taxation the leased premises and all improvements thereon, and that it will pay all ad valorem taxes assessed thereon during the term of the Lease.

11. LESSOR'S RIGHT TO PERFORM. If the Lessee shall default in the performance of any covenant or condition in this Lease required to be performed by the Lessee, the Lessor may, after thirty (30) days notice to the Lessee, or without notice if in the Landlord's opinion an emergency exists, perform such covenant or condition for the account and at the expense of the Lessee, and the Lessee shall reimburse the Landlord for the amount of such expense. Should the Lessee, pursuant to this Lease, become obligated to reimburse or otherwise pay the Lessor any sum of money in addition to the specific rent, the amount thereof shall be deemed additional rent, in which event

the Lessor shall have the remedies for default in the payment thereof provided by this Lease. The provisions of this paragraph will survive the termination of this Lease.

12. LESSOR'S RIGHT OF ENTRY. The Lessor and its representatives may enter the leased property, at any reasonable time, for the purpose of inspecting the leased property, performing any work which the Lessor elects to undertake made necessary by reason of the Lessee's default under the terms of this Lease, exhibiting the leased property for sale, lease, or mortgage, financing, or posting notices of nonresponsibility under any mechanic's lien law.

13. FIRE OR OTHER CASUALTY. In case of damage by fire or other casualty to any permanent structure in excess of \$30,000.00 in value on the leased property, without the fault of the Lessee, if the damage is so extensive as to amount practically to the total destruction of the leased property or of such building, and if a general contractor licensed in North Carolina shall certify that six (6) months or more shall be required to repair the damage, the Lessee may elect to terminate this Lease by written notice to Lessor within sixty (60) days from the date of the fire or other casualty; and if the Lessee shall elect to terminate as above provided, this Lease shall terminate, the Lessee shall be entitled to the proceeds of all extended coverage policies provided for under paragraph 14 below, and the rent shall be apportioned to the date of the damage. If the damage has rendered the leased

property untenable, in whole or in part, there shall be an apportionment of the rent until the damage has been repaired. In determining what constitutes reasonable dispatch, consideration shall be given to delays caused by strikes, adjustment of insurance and other causes beyond the Lessor's control.

14. INSURANCE.

(a) The Lessee shall keep all permanent structures and improvements in excess of \$30,000.00 in value situated on the lease property insured under all risk coverage in an amount not less than eighty percent (80%) of the full insurable value as determined from time to time. Any and all insurance proceeds payable under any such extended coverage policy shall be payable to the Lessor and Lessee jointly as their respective interests may appear. The term "full insurable value" shall mean actual replacement cost (exclusive of the cost of excavation, foundations, and footings below the basement floor) without deduction for physical depreciation. Such insurance shall be issued by financially responsible insurers duly authorized to do business in this state.

(b) From the date hereof until the termination date of the term of this Lease, the Lessee shall keep the leased property insured, at its sole cost and expense, against claims for personal injury or property damage under a policy of comprehensive general public liability insurance, with limits of at least ONE MILLION DOLLARS (\$1,000,000.00) for bodily

injury or death, and FIVE HUNDRED THOUSAND DOLLARS (\$500,000.00) for property and equipment damage. Such policies shall name the Lessor and the Lessee as the insureds.

15. RIGHTS UPON TERMINATION. In consideration of the nominal rent herein, any additions, fixtures, or improvements placed or made by the Lessee on the leased property, which are permanently affixed to the leased property or which cannot be removed without unreasonable damage to said premises, shall become the property of the Lessor and remain upon the premises as a part thereof upon the termination of this Lease. All other additions, fixtures, or improvements to include trade fixtures, office furniture and equipment, and similar items which can be removed without irreparable damage to the leased property shall be and remain the property of the Lessee and may be removed from the leased property by the Lessee upon the termination of this Lease, provided that the Lessee shall bear the expense of any repairs of the leased property, other than ordinary wear and tear caused by such removal.

16. BINDING EFFECT. This Agreement shall be binding on and inure to the benefit of the parties hereto, their successors and assigns.

17. LESSEE TO ASSUME ALL DEBT. It is expressly understood and agreed by the parties that neither the FULL FAITH and CREDIT nor the TAXING power of Lessor are pledged to secure the payment of any debt incurred by Lessee on the improvements to be erected on the premises, said debt being the

sole responsibility and liability of Lessee and its successors in interest.

18. ASSIGNMENT AND SUBLETTING. The Lessee shall not assign, mortgage, or encumber this Lease, nor sublet or permit the leased property or any part thereof to be used by others, except for uses set forth in paragraph 6.

IN WITNESS WHEREOF, this Agreement has been executed in duplicate originals the day and year first above written.

## NOTICE

Notice is hereby given that the Friends of the Botanical Garden has made an offer to the City of Fayetteville to amend the lease it currently has with the City to increase the area leased. The property offered for lease is more particularly described as follows:

NORTH CAROLINA  
CUMBERLAND COUNTY

BEGINNING at a point in the southern margin of Interstate 95/and US Hwy. 301 right-of-way, said point also intersecting with the west bank of the Cape Fear River; thence from the point of BEGINNING in a southwesterly direction along the right-of-way of Interstate 95/and US Hwy. 301 approximately 2035 feet to a point at the northeast corner of the Fire Tower property; thence along said property line southeast 250 feet to a point; thence southwest 300 feet along the eastern property line of aforesaid property to a point; thence northwest 250 feet to a point at the intersection of same Interstate 95/and US Hwy. 301 right-of-way; thence along said right-of-way southwest approximately 150 feet to the center of Cross Creek; thence down the centerline of Cross Creek, as it meanders, approximately 2110 feet to the mouth thereof, where it empties into the Cape Fear River; thence running with the west bank of said River, as it meanders in a northerly direction to the southern margin of Interstate 95/and US Hwy. 301 being said point of BEGINNING . . . containing 76 acres, more or less.

All terms of the existing lease, with the exception of the demised premises, shall remain the same, including a term of 50 years beginning on April 22, 1990, with an option to renew for an additional period of time as the City may approve. The existing lease is recorded at Book 3570, Page 590, of the Cumberland County Registry, and some of its terms are:

1. Lessee shall use the Leased Property for the purposes of building and operating a Botanical Garden; provided, however,

that the Lessee shall not use or occupy or permit the Leased Property or any part thereof to be used for or occupied for any unlawful business, use, or purpose or for a purpose constituting a public or private nuisance or which is in violation of any present or future governmental laws or regulations. The Lessee shall not deny use of the Leased Property to any person on the basis of race, creed, color or national origin. There shall be no alcoholic beverages permitted on the leased premises. Except for periods of construction, if the property is vacant for more than ninety (90) days, the Lease shall terminate and Lessee shall be in default.

2. The rent shall remain the same which is \$50.00 for the period April 22, 1990, until April 21, 2040.

3. Any additions, fixtures, or improvements placed or made by the Lessee on the Leased Property, which become permanently affixed to the Leased Property or cannot be removed without unreasonable damage to the premises, shall become the property of the City at the end of the Lease. Lessee shall be a non-profit organization as defined by the Internal Revenue Code. Other requirements of the Lease can be seen in the Office of the City Attorney, 433 Hay Street, Room 211, Fayetteville, North Carolina.

Anyone interested in leasing said property may do so by filing within ten (10) days of the publication of this notice an upset bid of not less than 10 percent of the first \$1,000.00 and 5 percent of the remainder. The bidder shall deposit with the City Attorney's office 5 percent of the increased bid. Any upset

bid shall comply, at a minimum, with all requirements of the proposed lease.

The City Council reserves the right at anytime to reject any and all offers. Any offer must be for cash payment.

RE: Two Hour Parking at Honeycutt Park

*ROS*

Recently, we have moved several offices of the Police Department to the former recreation center at Honeycutt Park. We have discovered that people connected with FTCC park in the lot leaving little room for patrons of the park or people visiting the Police Department Offices.

After discussions with Chief Hansen, Robert Barefoot and Louis Chalmers, we recommend the attached ordinance revision creating Honeycutt Parking Lot as a two hour lot.

**RESOLUTION CONFIRMING ASSESSMENT ROLL  
AND LEVYING ASSESSMENTS  
FOR INSTALLATION OF SANITARY SEWER COLLECTION SYSTEM**

WHEREAS, the City Council of the City of Fayetteville has on October 5, 1992, held a public hearing, after due notice as required by law, on the Assessment Roll for the extension of sanitary sewer collection system in:

**IRELAND DRIVE, west side, from northeast corner of Lot 1, Block A, to southeast corner of Lot 21, Block A**

**IRELAND DRIVE, east side, from northwest corner of Lot 1 to southwest corner of Lot 12 of Welmar Heights, Part III, Section IV;**

and,

WHEREAS, the City Council has heard all those present who requested to be heard, and has found the said Assessment Roll to be proper and correct.

**NOW, THEREFORE, BE IT RESOLVED,** by the City Council of the City of Fayetteville, that:

1. The Assessment Rolls for the extension of sanitary sewer collection system in **IRELAND DRIVE** is hereby declared to be correct, and is hereby confirmed in accordance with Chapter 160A, Section 228, of the General Statutes of North Carolina.
2. The City Council of the City of Fayetteville, pursuant to authority conferred by Chapter 160A, Section 216, of the General Statutes of North Carolina, and following sections, does hereby levy assessments as contained in the said Assessment Roll, attached hereto as Exhibit A and incorporated by reference as if fully set forth herein.

**ITEM 3.B.8.**

3. The City Attorney is hereby directed to deliver to the PWC Deputy Tax Collector the said Assessment Roll.
4. Pursuant to the policy of the City Council of the City of Fayetteville adopted on September 21, 1987, a thirty percent (30%) discount shall be applied to any assessments paid before the expiration of thirty (30) days from the date that notice is published of confirmation of the Assessment Rolls pursuant to Chapter 160A, Section 229, of the General Statutes of North Carolina.
5. The PWC Deputy Tax Collector is hereby charged with the collection of said assessments in accordance with the procedure established by Chapter 160A, Sections 232 and 233, of the General Statutes of North Carolina.
6. The PWC Deputy Tax Collector is hereby further directed to publish once on the 4th day of November, 1992, the notice required by Chapter 160A, Section 229, of the General Statutes of North Carolina.

This the \_\_\_\_\_ day of \_\_\_\_\_, 1992, at \_\_\_\_\_ p.m.

MEMO TO: FAYETTEVILLE CITY COUNCIL

FROM: CUMBERLAND COUNTY JOINT PLANNING BOARD

SUBJECT: CASE NO. P92-89. THE REZONING FROM R10 RESIDENTIAL DISTRICT TO P2 PROFESSIONAL DISTRICT OR TO A MORE RESTRICTIVE ZONING CLASSIFICATION FOR AN AREA LOCATED AT THE NORTHWEST CORNER OF THE INTERSECTION OF CHLOE STREET AND RAMSEY STREET (U.S. 401 NORTH). (FAYETTEVILLE ORDINANCE)

ACTION: THE TEN MEMBERS PRESENT AT THE AUGUST 18, 1992 REGULAR MEETING VOTED UNANIMOUSLY TO DENY THE REQUESTED REZONING.

Mr. Lloyd displayed a map outlining the existing zoning and land use in the area.

Mr. Lloyd stated that the Planning staff recommends approval of the requested rezoning to P2 Professional District based on the following:

1. The 1971 Land Use Plan calls for low density residential uses at this location.

The Planning staff finds that all or any portion of this site is not suitable for the R6, R5A, R5 Residential or P1 Professional Districts.

Note: The 2010 Land Use Plan calls for low density residential development at this location.

Mr. Brad Buffet, petitioner, appeared before the Board and explained his reasons for requesting the rezoning.

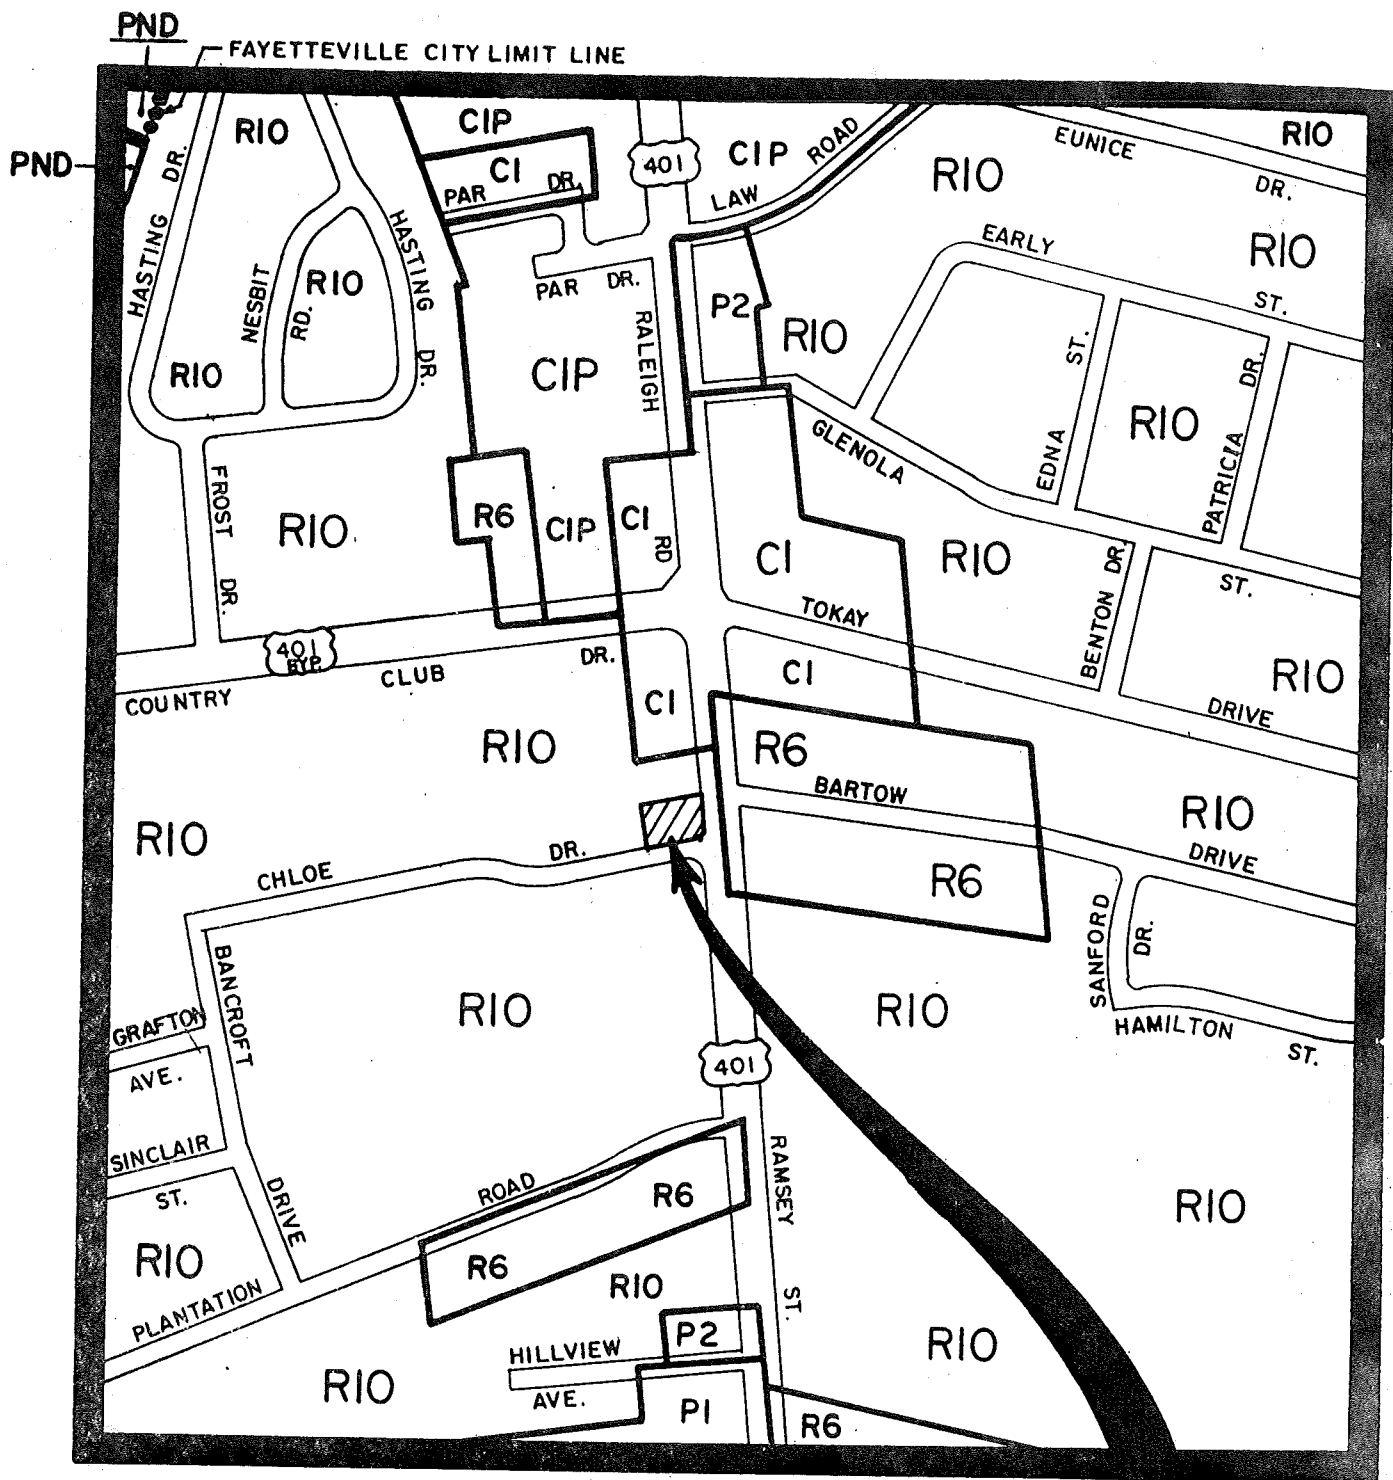

Mr. Ted Kinney, resident of the area, appeared before the Board in opposition. He asked those present in the audience in opposition to the rezoning to stand.

A motion was made by Mr. Morine and seconded by Mr. Schmidt to deny the requested rezoning. The motion passed unanimously.

CHAIRMAN

George Vaughan  
PLANNING DIRECTOR

October 5, 1992

MEMO TO: FAYETTEVILLE CITY COUNCIL

FROM: CUMBERLAND COUNTY JOINT PLANNING BOARD

SUBJECT: CASE NO. P92-95. THE REZONING FROM R6 RESIDENTIAL DISTRICT TO P2 PROFESSIONAL DISTRICT OR TO A MORE RESTRICTIVE ZONING CLASSIFICATION FOR AN AREA LOCATED ON THE SOUTHEAST CORNER OF THE INTERSECTION OF BARRINGTON CROSS AND BRAGG BOULEVARD. (FAYETTEVILLE ORDINANCE)

ACTION: THE TEN MEMBERS PRESENT AT THE AUGUST 18, 1992 REGULAR MEETING VOTED UNANIMOUSLY TO APPROVE THE REQUESTED REZONING. MR. HASAN WAS NOT PRESENT FOR VOTING.

Mr. Lloyd displayed a map outlining the existing zoning and land use in the area.

Mr. Lloyd stated that the Planning staff recommends denial of the requested rezoning to P2 Professional District based on the following:

1. The 1971 Land Use Plan calls for medium density residential development at this location.

The Planning staff finds that all or any portion of this site is not suitable for the R5A or R5 Residential or P1 Professional Districts.

Note: The 2010 Land Use Plan calls for medium density residential use at this location.

Mr. Wayne Williams, petitioner, appeared before the Board stating that he would like to use this property for insurance offices. He stated that the present Special Use permitted on the property is for dental offices. Mr. Williams presented a petition to the Board of fourteen landowners in the area in favor of the rezoning. He stated that he plans a 1,200 square foot building to house three employees with approximately twenty-five to thirty cars coming to the office daily. He stated that four apartment units were planned for the area until he bought the property, and he feels the P2 Professional District rezoning for the office building will be a nice buffer for the residential area.

**ITEM 3.D.**

Mr. Calvin Poole appeared before the Board representing his ninety-one year old mother who lives across the road from the site. He stated that medium density residential zoning along Bragg Boulevard is wishful thinking, and the P2 Professional District zoning would be the highest and best use for the property.

Mr. Bill McLeod, resident in the area, appeared before the Board in opposition stating that he has lived in the area for many years, and this rezoning would be spot zoning or strip development. He felt that this could turn the area entirely into commercial and eliminate the residential zoning in the area. He stated that Bragg Boulevard has many empty buildings and vacant lots that would be suitable for an insurance office.

Mr. Dick McLeod, resident in the area, stated he felt the increased traffic due to the office building would be a hazard.

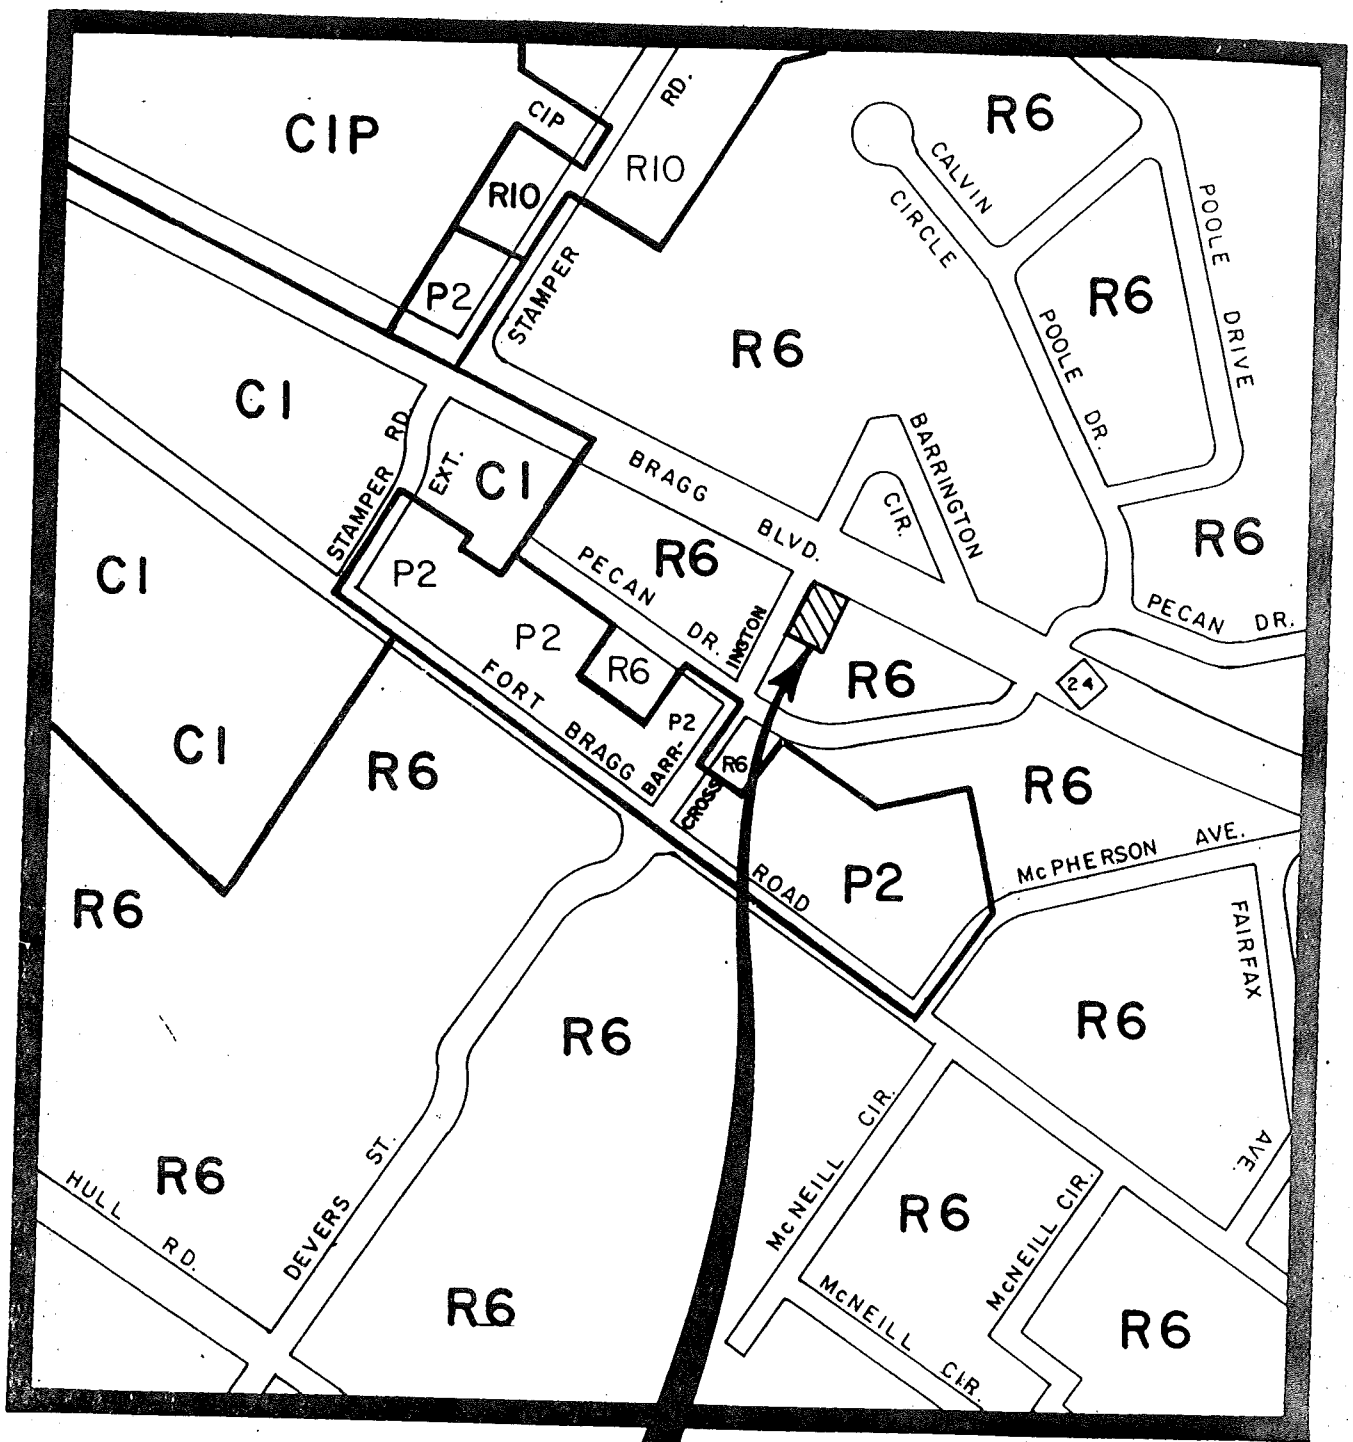

Chairman Britt asked Mr. Lloyd if he knew of the proposed apartment complex on this site. Mr. Lloyd stated that a group development plan had been submitted to his office for the location.

Ms. Vick questioned the access. Mr. Williams stated that the approved plan shows the access to be off of Barrington Cross, not Bragg Boulevard.

After finding that the request is reasonable, not unduly discriminatory, in the public interest and all uses permitted in the proposed district are suitable for this property, a motion was made by Mr. Canady and seconded by Mr. Shaw to approve the requested rezoning as a good transition between the residential and commercial districts of the area. The motion passed unanimously. Mr. Hasan was not present for voting.

MEMORANDUM

TO: Roger L. Stancil, Deputy City Manager

THROUGH: Jimmy Teal, Assistant City Manager, Planning & Development

FROM: David M. Nash, Annexation Studies Coordinator *DMN*

SUBJECT: Agenda Item - Public Hearing - Annexation of Westlake at Morganton Road - Phase 1 - (Petition-Initiated Contiguous Area)

A public hearing has been scheduled for October 5, 1992, concerning the proposed petition-initiated annexation of Westlake at Morganton Road - Phase 1. (See Map 1 and Map 2, attached.) The Notice of Public Hearing was published in the September 24, 1992, edition of The Fayetteville Observer-Times.

After holding the public hearing, the City Council has the authority to adopt an ordinance annexing the area. The City Council has the authority to make the ordinance effective immediately or on any specified date within six months from the date of passage of the ordinance.

In deciding on whether to annex or not to annex this area, the City Councilmembers might want to consider a variety of information. The overall purpose of this memo is to present this information to the City Council. It should be noted that some of this information is based on the requirements of the Justice Department.

The memo is organized as follows:

- Section A provides basic information about the area proposed for annexation.
- Section B evaluates the area in terms of several criteria.
- Section C provides a summary, conclusions, and recommendations.

Two maps are attached to the memo, along with a proposed ordinance.

ITEM *3.E*

## SECTION A

### BASIC INFORMATION ABOUT THE AREA PROPOSED FOR ANNEXATION

1. NAME OF AREA: Westlake at Morganton Road - Phase 1
2. LOCATION: The area proposed for annexation is located along the northern side of Morganton Road, along both sides of the recently constructed Westlake Road. (See Map #1 and Map #2.)
3. IS THE AREA CONTIGUOUS? Yes
4. TYPE OF PROPOSED ANNEXATION: Petition-Initiated (Contiguous Area)
5. CONTEXT/BACKGROUND:
  - a. The Surroundings - The Harris Property is a large tract of land located West of the City limits, along the northern side of Morganton Road. (See Map #1.) Portions of the Harris Property are now being developed. For example, as shown on Map #1, three projects are currently being developed on the Harris Property. These projects are being developed outside the City; they are not part of the area requested for annexation.
  - b. The Petition - On August 26, 1992, the City staff received a petition requesting that a portion of the Harris Property be annexed. According to W. A. Maxwell, Sr., one of the petitioners, a multi-use office park is proposed for construction on the land requested for annexation. According to Mr. Maxwell, this project is to be named "Westlake at Morganton Road - Phase 1."

#### 1) The Petitioners (Owners)

The original petition was signed by five persons. Four of the persons are members of a business having an assumed name of "Harris Farm Joint Venture." (These four persons are: W. A. Maxwell, Sr.; W. A. Maxwell, Jr.; Nanhi Rice; and L. S. Mark.) The fifth person signing the petition was Elliott L. Harris; Mr. Harris signed the petition as an individual.

Several complicated conveyances of land occurred after the original petition was submitted to City staff on August 26. As a result of these conveyances, Biltwell, Inc., became the owner of a small part of the area. Therefore, the City staff asked two persons affiliated with Biltwell, Inc., to sign the petition. These persons were: Al Rumbough, Agent for Biltwell, Inc.; and Joseph P. Riddle, III, President of Biltwell, Inc.

6. REASONS FOR THE PETITION: There are probably at least three reasons the petition has been submitted. Mr. W. A. Maxwell, Sr., one of the petitioners, has stated that the petitioners/developers would like for the area to be annexed so that the area will be able to receive City services as it is developed. A second reason is that the developers would like for

the recently constructed Westlake Road to be accepted by the City Council. Before the City Council can accept the road, the road must be annexed. It should be noted that the City staff has reviewed information about the recently constructed Westlake Road. Based on this review, the City staff would recommend that the City Council accept the road, if the area is annexed. A third reason for the petition is that the developer would probably like to receive a refund from PWC for one-third of the amount of money already paid to PWC for utility extensions to the area. This refund would be pursuant to the policy which was in effect at the time the utility extension contract was executed with PWC. The policy stated that if an area was annexed within two years of the date of execution of a contract with PWC, then PWC would refund one-third of the cost of utility extensions.

7. NUMBER OF ACRES IN AREA: 14.78 acres total

<u># Acres</u>	<u>Description</u>
12.60	This parcel is owned by Harris Farm Joint Venture. It is being developed into the office park.
2.18	This tract is owned by Elliott Harris and Biltwell, Inc. This tract was created and added to make the area contiguous. This tract is low and wet and will probably not be developed.
14.78	Total number of acres in area

8. PRESENT CONDITION:

Note:

1. A recent pavement and soil evaluation test shows that the street construction exceeds the minimum design strength as specified in the City's proposed standards for a commercial/industrial collector.

e. Present Utilities

- 1) Sewer, Water, and Fire Hydrants - These utilities have already been installed by PWC within part of the area. The developer paid for the cost of installation.
- 2) Electrical and Street Lights - PWC underground electrical service has already been installed within the area. PWC street lights have not yet been installed along Westlake Road.

- f. Present Ad Valorem Tax Value - The present ad valorem tax value of the area (based on 1992 revaluation values) is estimated at \$327,484. Ad valorem tax revenues for the remainder of FY 92-93 would be based on this value. This value is based only on land values, since there are no buildings or taxable improvements in the area at this time. Specifically, this value is based on the actual land value (\$312,148) of the 12.60 acre tract of land and the estimated value (\$15,336) of the 2.18 acre tract of land.

9. FACTORS AFFECTING EXPECTED FUTURE CONDITIONS:

- a. Plans of Owners - The primary owner (Harris Farm Joint Venture) plans to develop the area requested for annexation as a multi-use office park.

b. Development Controls

1) Land Use Plans

- a) Current Plan (1971) - Low-Density Residential
- b) Proposed New Plan - Commercial, Low-Density Residential, and Open Space

2) Zoning

- a) Current Zoning in County - O & I and PND

NOTE: A General PND Development Review Plan was approved for the overall Harris Property by the Joint Planning Board on May 15, 1990.

NOTE: A Conditional Use Overlay was applied to the western one-third of the property by the Cumberland County Board of Commissioners on December 17, 1990.

- b) Likely Future Zoning After Annexation - P2, P3, and PND

NOTE: It is assumed the Conditional Use Overlay granted in the County would expire in the City after annexation.

c. Environmental Factors

- 1) Watershed Area - The area requested for annexation is not within a watershed area as designated by the State.
- 2) Wetland - The southeastern portion of the area is low and wet and might be covered by wetlands regulations.
- 3) Floodplains - The southeastern portion of the area is located within a 100-year and 500-year flood boundary.

10. EXPECTED FUTURE CONDITIONS:

a. Future Use of Land

- 1) Residential - None expected
- 2) Non-residential - Multi-use office park. The date of completion is not known.

b. Future Number of Housing Units - None expected.

c. Future Demographics - No population is expected.

d. Future Streets - Based on preliminary plat submitted by Mr. W. A. Maxwell, Sr., a new cul-de-sac might be constructed within the area in the future.

e. Future Utilities

- 1) Sewer, Water, and Fire Hydrants - No changes expected.
- 2) Electrical and Street Lights - It is expected that PWC street lights will be installed along Westlake Road.

f. Future Ad Valorem Tax Value - The tax value of the area will increase significantly as the area develops. However, because the number and size of future buildings is not known, it is not possible to project the future tax value.

SECTION B

EVALUATION OF THE AREA PROPOSED FOR ANNEXATION

In this section of the memo, the area is evaluated in terms of the following criteria:

1. Compliance with Statutory Standards.
2. Ability of City Operating Departments and PWC to Provide Services. (This includes a description of how services are to be provided and costs.)
3. Fiscal Impact. (This involves a comparison of the projected costs of providing services with the projected revenues.)
4. Impact at Time of Annexation on Minority Population Percentage. ( In overall City and in Adjacent City Council Districts).
5. Other Impacts/Problems Identified in Staff Review.
6. Other Issues Raised in Staff Review.

Information about each of the criteria is presented below. Much of the information was obtained through a staff review process.

1. COMPLIANCE WITH STATUTORY STANDARDS:

G.S. 160A-31 sets forth one standard which an area must meet when it is annexed by petition. The one standard is that the area must be contiguous to the municipal boundary. The proposed annexation area is contiguous to the municipal boundary. The petitioners made the area contiguous by adding a 2.18 acre tract of land located in the southeastern corner of the area (just north of Morganton Road). This tract connects the 12.60 acre tract of land to the City limits.

2. ABILITY OF CITY OPERATING DEPARTMENTS AND PWC TO PROVIDE SERVICES:

a. Methodology - The head of each City operating department and the head of each PWC division were asked to evaluate the area. The evaluation focused on how the departments/divisions would serve the area, additional costs, additional revenues, additional impacts/problems, and other issues raised. This evaluation provided information about the ability to provide services and the costs of service.

b. Findings

1) PWC

a) Ability to Serve - Based on responses received from both the Water and Sewer Division and the Electrical Systems Division, PWC will be able to provide services to the area, if it is annexed.

b) Costs of Service

(1) Water and Sewer Division - This division reported that sewer lines, water lines, and fire hydrants have already been installed in the area by the developer. Pursuant to the policy for cost participation which was in effect at the time of execution of the contract for extensions, PWC will refund to the developer the following amounts:

\$21,220.23 - if annexed by 11-27-93

\$12,732.14 - if annexed between 11-27-93 and 11-27-94

(2) Electrical Systems Division - This division reported that underground PWC electrical lines have already been installed in the area. However, seven (7) street lights will need to be installed by PWC along Westlake Road. The projected cost is \$5,964.87.

2) City Operating Departments

a) Ability to Serve - Based on responses received from the City operating departments and based on a review of those responses by the City Manager's Office, most operating departments will be capable of serving the area, if it is annexed. However, the Fire Department and Police Department expressed concern over the ability to serve the area, as discussed below.

(1) Fire Department - The Fire Department currently contracts with Bonnie Doone Fire Department to serve a portion of the City west of Cross Creek Mall. The petition area is beyond this contract area. The petition area is 2.5 miles from Station #6, the closest City Station. More importantly, the petition area is 4.5 miles from Station #5, the second due company. These distances are beyond the recommended travel distance for both first and second engine company

response. The petition area is 1.1 miles from the Bonnie Doone Fire Department Station. The Deputy Chief of the Bonnie Doone Fire Department has given a written commitment to respond to the petition area on a mutual aid basis. (The letter was dated 4-30-91. It was written in response to another area which was considered for annexation in 1991. This area was never annexed.) By having both the Bonnie Doone Fire Department and the City Fire Department respond to the petition area, adequate coverage can be provided. The Bonnie Doone Fire Department request that when rollover begins, that the petition area be considered as part of the overall area annexed, and that compensation be adjusted accordingly. The City Fire Department states that without Bonnie Doone's cooperation and assistance, the petition area, if annexed, will not receive the same level of fire protection as other parts of the City.

- (2) Police Department - The Police Chief expressed concern over being able to serve the area, due to the cumulative impact of past annexations. The City staff is in the process of reviewing the cumulative impact on the Police Department. It is possible that some adjustments will be made in the department's budget to ameliorate the cumulative impact.
- b) Costs of Services - In discussing City services and costs, it is useful to recognize the stages of development the area will go through. It is also important to note that the build-out (completion) date is not known.
- (1) During FY 92-93 - It is assumed this area will be annexed effective October 31, 1992. During this fiscal year, the demand for services will be minimal because the area will be in the status of "currently being developed" rather than "developed." All City operating departments should be able to absorb the area. Assuming that Westlake Road is accepted for maintenance by the City, it is projected that the Street Maintenance Division will have the following costs:

<u>Dept.</u>	<u>Amount</u>	<u>Frequency</u>	<u>Service</u>
Street Maintenance	\$285 (prorated for 8 months)	Annual	Routine Street Maintenance for Westlake Road

The Police Department expects to have costs associated with patrolling the area, but the department is not able to project these costs.

- (2) During Years of Development - During the years of development, the demand for services will increase. It is projected that all City operating departments will be able to absorb the area without substantial increases in costs. However, the impact on each department will need to be monitored. It is projected that the Street Maintenance Division will have an annual cost of \$425 per year for street maintenance.
- (3) At Build-Out - When the area is completely built-out, the demand for services will peak and then level off. It is projected that most City departments will be able to absorb the area at build-out. It is projected that the Street Maintenance Division will continue to have an annual cost of \$425 per year for street maintenance.

### 3. FISCAL IMPACT:

Fiscal impact analysis involves comparing the projected costs of providing services with the projected revenues. This technique is useful in evaluating proposed annexations. The results of the analysis for the proposed area is presented below. The City and PWC are treated separately.

#### a. City - Fiscal Impact

1) Procedure - Several steps were involved in analyzing the fiscal impact of the annexation on the City.

a) Revenues - First, annual operating revenues were projected. Since very little is known about the future development (except that it will be a multi-use office park), it was not possible to project revenues over a five-year period or for a hypothetical "build-out" year. Instead, revenues were projected for the remainder of FY 92-93. Only one revenue source was projected (ad valorem tax). Other revenue sources were not projected, because there was no population or street miles within the City as of the beginning of the fiscal year.

The projected ad valorem revenue for the remainder of FY 92-93 is \$1,168.

b) Costs - Next, costs were summarized, based on the projected costs discussed in the previous section of this memo. As in the case of revenues, it was not possible to project many costs because little is known about the future development. The only costs which can be projected with certainty are the costs for street maintenance (assuming that the City accepts Westlake Road for maintenance).

The projected cost for the remainder of FY 92-93 is \$285 (all for street maintenance).

2) Results - The results of comparing the revenues and costs for FY 92-93 are shown below. These figures have been prorated to reflect an assumed effective date of October 31, 1992.

	<u>During FY 92-93</u>
Annual Revenues	\$1,168
Annual Costs	\$ 285
Annual Surplus (Deficit)	\$ 883

#### b) Public Works Commission - Fiscal Impact

In discussing the fiscal impacts of the proposed annexation on PWC, it is useful to distinguish between the Water and Sewer Division and the Electrical Division.

##### 1) Fiscal Impact on Water and Sewer Division of PWC

a) Procedure - In order to assess the fiscal impact on the Water and Sewer Division, it is necessary to consider revenues and costs.

- (1) Revenues - According to information provided by the PWC staff, there will be revenues from the new water and sewer customers in the office park. However, it has not been possible to project these revenues, since it is not known how many buildings will be constructed or when construction will be completed.
    - (2) Costs - As discussed in a preceding section of this memo, the costs for making a refund to the developer is projected at \$21,220.23, if the area is annexed by November 27, 1993.
    - b) Results - It is possible to project that if the area is annexed effective October 31, 1992, and if PWC makes the refund to the developer during FY 92-93, the fiscal impact on the Water and Sewer Division will be negative during FY 92-93. It is not possible to project the fiscal impact during the years of development or at build-out.
  - 2) Fiscal Impact on Electrical Division of PWC
    - a) Procedure - In order to assess the fiscal impact on the Electrical Division, it is necessary to consider revenues and costs.
      - (1) Revenues - PWC has already extended electrical service to the area and will extend street light services if the area is annexed. There will be revenues from the sale of electricity in the area. However, it is not appropriate to attribute this increase in electrical service revenue to annexation; this increase will occur regardless of whether the area is annexed. It has not been possible to project any other revenues.
      - (2) Costs - As discussed in a preceding section of this memo, seven (7) street lights will be constructed by PWC at a cost of \$5,964.87, if the area is annexed. It is assumed these costs will be incurred during FY 92-93.
    - b) Results - It is possible to project that if the area is annexed effective October 31, 1992, and if PWC installs the street lights during FY 92-93, the fiscal impact on the Electrical Division will be negative during FY 92-93. It is not possible to project the fiscal impact during the years of development or at build-out.
4. IMPACT AT TIME OF ANNEXATION ON MINORITY POPULATION PERCENTAGES (IN OVERALL CITY AND IN ADJACENT DISTRICTS):

As shown in Section A of this memo (Item 8 - Present Conditions), most of the area is currently being developed (as an office park). The remainder of the area is either already developed (as streets) or undeveloped (wetland). The area presently has zero housing units, zero total population, zero voting age population, and zero registered voters. It is assumed that these conditions will not change between now and the assumed effective date of annexation (10-31-92). Therefore, there will be no impact at the time of annexation on minority population percentages, either at the overall City level or at the district level. (The area is adjacent to City Council District #5.)

5. OTHER IMPACTS/PROBLEMS IDENTIFIED IN STAFF REVIEW:

- a. Methodology - During the staff review process, the head of each City operating department and the head of each PWC division were asked to identify any additional impacts/problems, if the area were annexed. It was suggested that the cumulative impact of other annexations enacted during the previous two fiscal years be considered.

b. Findings

- 1) PWC - Impacts/Problems: None identified.
- 2) City Operating Departments - Impacts/Problems:

- a) Police Department - The Police Chief expressed concern over the cumulative impact of past annexations. The Police Chief stated that the department could not continue to service proposed annexation areas without increases in personnel and equipment. The department staff reported that future impacts/problems would be based on future increases in calls for police services; however, the staff reported that these increases cannot be determined at this time.

It should be noted that the City staff is in the process of reviewing the cumulative impact of past annexations on the Police Department. It is possible that some adjustments will be made in the department's budget to ameliorate the cumulative impact.

- b) Fire Department - The Fire Department expressed concern over the impact of this annexation on the rollover agreement which has been established with the Bonnie Doone Fire Department.

6. OTHER ISSUES RAISED IN STAFF REVIEW:

- a. Methodology - During the staff review process, the head of each City operating department and the head of each PWC division were asked whether the consideration of the proposed annexation raised any other issues which need to be addressed.

b. Findings

- 1) PWC - Other Issues Raised: None raised.
- 2) City Operating Departments - Other Issues Raised:
  - a) Police Department - The Police Department noted that it must be prepared to increase protective services, if necessary.
  - b) Traffic Services - The Traffic Services Department pointed out that the development of the area will lead to an increase in the traffic volume on Morganton Road.

SECTION C

SUMMARY, CONCLUSIONS, AND RECOMMENDATIONS

1. SUMMARY - In summary, this memo has provided basic information about the area, with a focus on present conditions, factors affecting development, and expected future conditions. This memo has also evaluated the area in terms of several criteria.
2. CONCLUSION - The basic conclusions are as follows:
  - a. The area complies with Statutory Standards, since it is contiguous. The petitioners created a special parcel to make the main part of the area contiguous to the City limits.

- b. Most of the land in the area is currently being developed into a multi-use office park. A small part of the land in the area is already developed (Westlake Road).
  - c. It is not known how fast the office park will be built. The number of future buildings is also not known.
  - d. The City operating departments and PWC should be able to provide services to the area. However, the Fire Department and the Police Department have expressed concern over the ability to serve the area. The Fire Department's concern is based on location. The Police Department's concern is based on the cumulative impact of past annexations.
  - e. Fiscal Impact on City - It is projected there will be a surplus for the City of \$883 during FY 92-93.
  - f. Fiscal Impact on PWC - It is projected that the fiscal impact on both the Water and Sewer Division and the Electrical Division will be negative during FY 92-93.
  - g. This area currently has zero population. Therefore, annexation should have no impact on minority population percentages.
3. RECOMMENDATIONS - Based on the conclusions, the City staff offers the following recommendations:
- a. The City Council should adopt the attached annexation ordinance.
  - b. The City Council should set October 31, 1992, as the effective date of the ordinance.

Dear Mr. Smith,

I respectfully request to speak to the members of the city council at the next council meeting on October 5th.

I plan to address the swine ordinance forbidding the ownership of pigs in the city limits (Fayetteville City Code, Chapter 7, Section 7-4). I believe this ordinance prohibits the owning of livestock.

I am the proud owner of a vietnamese pot-bellied pig. "Murphy" is not considered livestock. His breed of pigs are born and raised for the sole purpose of being an exotic pet.

I would like the opportunity to state my case, provide documentation that these pigs are domestic animals, and keep "Murphy" at home.

Thank You,

*Rhonda Carson*

AN ORDINANCE OF THE CITY COUNCIL  
OF  
FAYETTEVILLE, NORTH CAROLINA

Requiring the City Buildings Inspector  
to correct conditions with respect to,  
or to demolish and remove the structure(s)  
pursuant to the  
Dwellings and Buildings Minimum Standards  
Code of the City

The City Council of Fayetteville, North Carolina, does ordain:

The City Council finds the following facts:

- (1) With respect to Chapter 16 of the Dwellings and Buildings Minimum Standards Code of the City, concerning certain real property described as follows:

526 South Cool Spring Street (0437-60-0129)

Being all Lots 1 & 2 "Property of Grace Viglione", according to a map of same duly recorded in Book of Plats 61, Page 134, Cumberland County Registry.

This conveyance is subject to the 1989 property taxes, which Grantee assumes and agrees to pay.

The owners of and parties in interest in said property are:

Mr. and Mrs. Colonell Yarborough  
272 Windsor Drive  
Fayetteville, NC 28301

- (2) All due process and all provisions of the Dwellings and Buildings Minimum Standards Code of the City having been followed, the Inspections Superintendent duly issued and served an order requiring the owners of said property to: Repair or demolish the structure by July 30, 1992.
- (3) And said owners without lawful cause, failed or refused to comply with said order; and the Building Inspector is authorized by said Code, when ordered by Ordinance of the City Council, to do with respect to said property what said owners were so ordered to do, but did not.
- (4) The City Council has held a full hearing upon this matter and has fully reviewed the entire record of said Inspections Superintendent thereon, and finds, that all findings of fact and all orders therein of said Inspections Superintendent are true and authorized except:

None

Whereupon, it is ordained that:

SECTION 1

The Building Inspector is ordered forthwith to accomplish, with respect to said property, precisely and fully what was ordered by said Inspections Superintendent as set forth fully above, except as modified in the following particulars:

The structure(s) is to be demolished and all debris removed from the premises.

SECTION 2

This ordinance shall be in full force and effect from and after its adoption.

Adopted this 5th day of October, 1992.

LETTER OF CONDEMNATION

Re: 526 South Cool Spring Street  
~~(0437-60-0129)~~ *516T*

Dear Mr and Mrs. Yarborough:

The property(s) in reference was determined unfit for human habitation. As in accordance with Chapter 16, of the City of Fayetteville's Code governing standards of buildings and dwellings, this property is condemned effective immediately due to the following violation(s):

1. Exterior front and rear steps need to be installed.
2. Floor flooring needs repair.
3. Interior and exterior walls need repair.
4. Interior and exterior doors and frame need repair.
5. Electrical wall outlets, ceiling light, switches and fuse box need repair.
6. Heating equipment needs to be installed.
7. Window frames and window sashes need repair.
8. All undergrowth and/or rubbish needs to be removed from lot.

Please be advised that the dwelling(s) must remain vacant from receipt of this letter and demolition commenced. A permit must be purchased from our office prior to work commencing.

If the violation(s) is not abated within 30 days, we will begin demolition proceedings.

You have the right to a hearing with the Inspections Superintendent in City Hall on May 18, 1992, at 1:00 p.m.

If you have any questions concerning this matter, please do not hesitate to contact me.

Sincerely,

Walter J. Haire, Jr.

MEMORANDUM

TO: The Mayor and Members of the City Council

FROM: Robert C. Cogswell, Jr. *[Signature]*  
City Attorney

SUBJECT: 307 Old Wilmington Road

Police officers are experiencing a lot of difficulty with people who gather on the above referenced lot to sell drugs on the street and then retreat to the innermost portion of this lot between sales. It has become not only a gathering place where people engage in various criminal activities, but also it is a dumping ground for debris and trash. The lot is owned by the City.

Attached to this memorandum is an ordinance that would authorize the posting of the property with no trespassing signs. Thereafter, anyone found on the property without the permission of the City Manager, the Police Chief, or their designee, could be prosecuted under the state statute for trespassing. This ordinance does not in and of itself create an offense, since there is already a state law on the books for trespassing. It is further drafted in such a manner that other properties could be added in the future.

There will be someone from the Police Department present at the Council meeting Monday night to provide further information about this particular lot and answer any questions that you might have.

ITEM 7

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF FAYETTEVILLE  
DECLARING CERTAIN PROPERTY OFF LIMITS

THAT WHEREAS, certain properties within the jurisdiction of the City limits of the City of Fayetteville, North Carolina, constitute a condition that is inimical to the public health, safety, and welfare of the citizens, due to the fact that they are havens and means of concealment for individuals engaging in various criminal activities to include violations of Chapter 90;

AND THAT WHEREAS, pursuant to N.C.G.S. 160A-174, the City Council of the City of Fayetteville has the authority to enact ordinances that may define, prohibit, regulate or abate acts, omissions, or conditions detrimental to the health, safety, and welfare of the citizens and the peace and dignity of the City;

THEREFORE, BE IT ORDAINED, by the City Council of the City of Fayetteville that:

Section 1. That Sections 21-1 through 21-70.9 of the Code of Ordinances of the City of Fayetteville are redesignated as Article I. Offenses, of the Code of Ordinances of the City of Fayetteville.

Section 2. That a new Article II, Miscellaneous Provisions, of Chapter 21 of the Code of Ordinances is created.

Section 3. That a new Section 21-71, of Article II of the Code of Ordinances of the City of Fayetteville, is created as follows:

**21-71. City-owned property declared off limits.**

That the following described properties, located within the City of Fayetteville, and owned by the City of Fayetteville, are hereby declared off limits because they are havens or provide other means of concealment for violation of criminal laws of the state of North Carolina, including but not limited to Chapter 90 of the North Carolina General Statutes:

(a) 307 Old Wilmington Road

The above described property shall be posted "NO TRESPASSING, VIOLATORS WILL BE PROSECUTED PURSUANT TO G.S. 14-159.13". No one shall be permitted upon the above described property without permission of the City Manager, the Chief of Police, or their designees. It is not the intention of the City Council of the City of Fayetteville by the enactment of this ordinance that anyone shall be prosecuted for violation of this ordinance, but rather to establish the proper notice by the owner of the property for purposes of prosecution pursuant to G.S. 14-159.13.

Section 4. It is the intention of the City Council, and it is hereby ordained that the provisions of this ordinance shall become and be made part of the Code of Ordinances, City of Fayetteville, North Carolina, and the sections of this ordinance may be renumbered to accomplish such intention.

Adopted this the \_\_\_\_\_ day of \_\_\_\_\_, 1992.

SUBJECT: Proposed Police Firing Range/Training Facility Site Improvements - Business 95 North

We are requesting, on behalf of the Police Department, to address the City Council at their October 5, 1992 regular meeting. A master site plan of the above referenced project has been developed by the Engineering Department and was reviewed and approved by appropriate City staff on September 25, 1992.

We would like to review and advise the City Council of the proposed improvements to this site, and obtain Council approval.

If Council approves the proposed site plan, we will begin scheduling the site improvements as funding will allow.

**RE: CONSUMER AND/OR PUBLIC ADVOCATES:**

I WOULD LIKE TO SUGGEST THAT THE CITY LOOK INTO THE ASPECT  
OF HAVING CONSUMER AND/OR PUBLIC ADVOCATES AT ALL MEETINGS  
OF BOTH THE CITY COUNCIL AND ALSO THE PUBLIC WORK COMMISSION.

MAY I SUGGEST THAT TWO (2) BE HOUSEWIVES WITH KNOWLEDGE OF  
WHAT IS GOING ON IN THEIR AREAS WHERE THEY LIVE.

ALSO ONE BLUE COLLARS PERSON FROM THE INDUSTRIAL SIDE OF THE  
WORK FORCE AND A WHITE COLLAR WORKER FROM THE WORK FORCE.

THIS WOULD MAKE A TOTAL OF FOUR (4) PERSONS.

BECAUSE AT THE PRESENT TIME THE CREDIBILITY GAP THAT EXISTS  
IS NOT RIGHT. PEOPLE DO NOT KNOW ABOUT WHAT IS GOING ON  
IN THE CITY AND CUMBERLAND COUNTY (PWC) UNTIL THE GAVEL HAS  
ALREADY FALLEN. THEN THEY HAVE NO RECOURSE.

NOT EVERY PERSON IN THIS COUNTY CAN AFFORD A NEWSPAPER.  
PEOPLE ON LIMITED BUDGETS CERTAINLY CANNOT. AND I AM  
ALSO ADDRESSING THE FACT OF THE LITERACY RATE IN THE CITY OF  
FAYETTEVILLE, AND CUMBERLAND COUNTY.

AGENDA 4 7-31-92 J

September 15, 1992

Dear Police Chief,

We've recently moved to Fayetteville from Monterey, California. At the onset, we were leery and extremely unsure of our new surroundings in the "older Haymount area". As do many relocated military families, you take a gamble when you buy a home, the best anyone can do is make an educated guess. Well, for better or for worse, we purchased our home on 207 Highland Avenue.

It wasn't long after, actually 3 hours, when a woman approached my husband for a ride, at the time he was unloading the car from a 7-day trip across the country, we said no; the next morning, a man in his 30's appeared at our door, he claimed he was an injured Vietnam veteran and could we spare a couple of dollars, we said no, again. Actually, it's more like, again, and again, and again. About two weeks later, my husband's bike was stolen. No, it was never located, yes, we had serial numbers. Several months later, while my husband was out in the field, an individual came knocking on my door, at 1:00 in the morning, with a shotgun.

But, this letter isn't about any drug traffickers and seedy characters in the Broadfoot or adjoining areas. This letter is meant to commend you and your men on patrol in our area for their diligent efforts and immediate response. For going "out of their way" to help us feel safe and welcome here. And most important of all, for laying their lives on the line.

The struggle to regain the problem areas of our streets is on-going. As homeowners, we are but only one house that remains alert, calls on suspicious activities, practices Neighborhood Watch; there are many involved in this struggle. At a recent public meeting at the Museum of the Cape Fear, I felt a deep pride, when about 10 homeowners from the surrounding neighborhoods mentioned that my block on Highland Avenue is a block they now feel safe to walk through - - anytime of the day. This bit of news is important to pass on to you and the department, because this is real testimony to the efforts by your officers. The process is slow, but, it is working and somehow, one gets a feeling that the news is spreading, "CLEAN-UP OR CLEAR-OUT".

On a personal note, we want to thank Officers Clinkscales and Nunnery for watching out for us. Because we came from a large metropolitan area, we had only heard stories about the "friendly" policeman who knows your family, genuinely cares about the neighborhood, or just pulls over to say "How are you, Mrs. Hinek.....Hello, Cecelia.....Howz' it goin', Mr. Hinek?" Frankly, our families in Los Angeles and Northern California, are quite skeptical, I don't think they really believe us. Well if it's our good luck to have Mr. Clinkscales and Mr. Nunnery on our beat.....what outstanding luck! We'll take it. In turn, expect that they receive the support and prayers for their safety from our family. They are certainly two of the department's finest. Please accept my apology for drafting such a lengthy "note". I realize that you and your support staff have many important demands.....Many ....Many ....thanks.
